INTRODUCTION

Bates' Visual Guide to Physical Examination® provides students and new clinicians with the resources they need to learn and hone clinical skills. Based on the bestselling textbook *Bates' Guide to Physical Examination and History Taking*, this online guide maintains the evidence-based origins of the text and provides careful attention to clinical accuracy, and to the range of patient types profiled in the series. Broken into three sections — Physical Examination, OSCE Clinical Reasoning, and Communication and Interpersonal Skills — *Bates' Visual Guide to Physical Examination*® is a comprehensive resource for any institution's assessment or clinical medicine courses within medical, nursing, physician associate, pharmacy, and physical and occupational therapy programs. In addition to providing students with the training they need; it can also support new or experienced clinicians looking to hone their skills.

Obtaining Access

- Contact your sales representative to learn more and license for your institution. If you do not know who your sales rep is, email customer_service@ovid.com.
- Depending on your institution's license, your access to **Bates' Visual Guide to Physical Examination** may be via IP address range, username/password, Open Athens, SSO, or end-user self-enrollment via email domain. Please see this FAQ for more information.

Logging In

- Once you have been granted access to the **Bates' Visual Guide to Physical Examination**, go to https://clinicalcontext.lww.com. Please see this FAQ for more information.

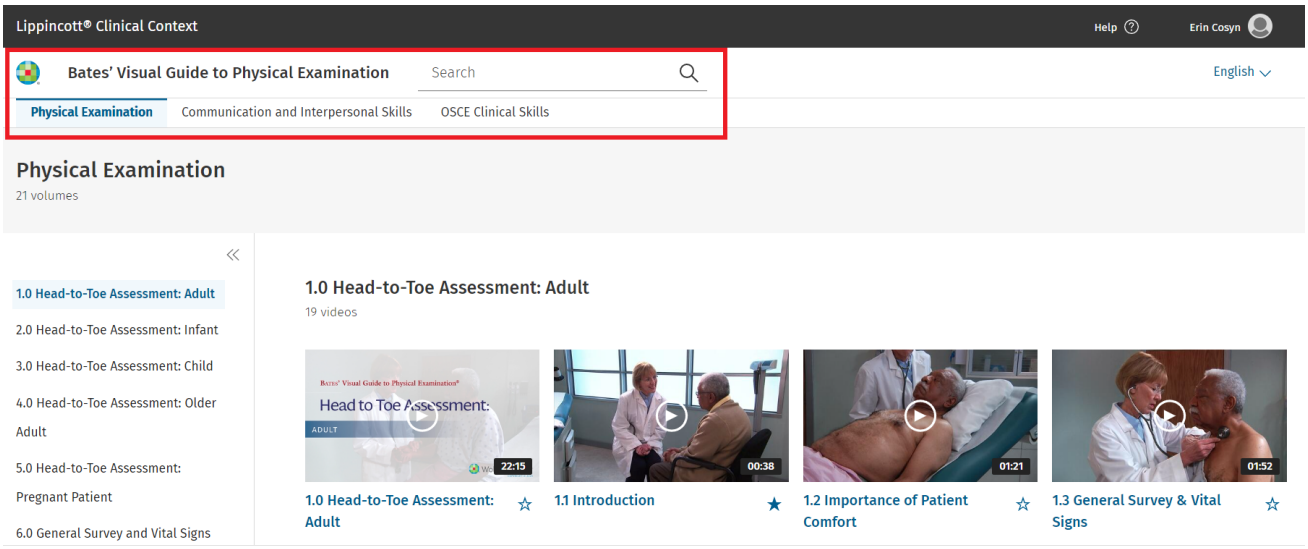
Navigation

- Go to the **Bates' Visual Guide to Physical Examination** page on Lippincott® Clinical Context to access the videos: https://clinicalcontext.lww.com/en/batesvisualguide
- Select a Module. Please note each module is sold separately, your subscription may include any or all Modules. Module choices are Physical Examination, Communication and Interpersonal Skills, and OSCE Clinical Skills. Clicking the module tab will take you to that content. Note that some institutions do not subscribe to all modules, and you will only see the modules to which your institution subscribes.



- Each video in the Physical Examination module is identified by a double-digit number that specifies the volume and chapter content for the video. For example, "Head and Neck Anatomy" is numbered "8.2." Note that the first video in each volume is followed by a 0, indicating that it is the full-length video for the volume, combining all other videos in that volume into one longer video.

- Each video in the Communication and Interpersonal Skills and OSCE Clinical Skills modules is identified by the topic name and single-digit number that specifies the content of that video. For example, interprofessional communication is numbered, "CIS 12: Interprofessional Communication," and the OSCE scenario for knee pain is numbered, "OSCE 4. Knee Pain."

- Clicking a video title from the list launches the video player at the top of the page.

- Gallery View: At the bottom of each video, there is a gallery that shows which video in the set you are on, and which other videos appear in the same volume or module.

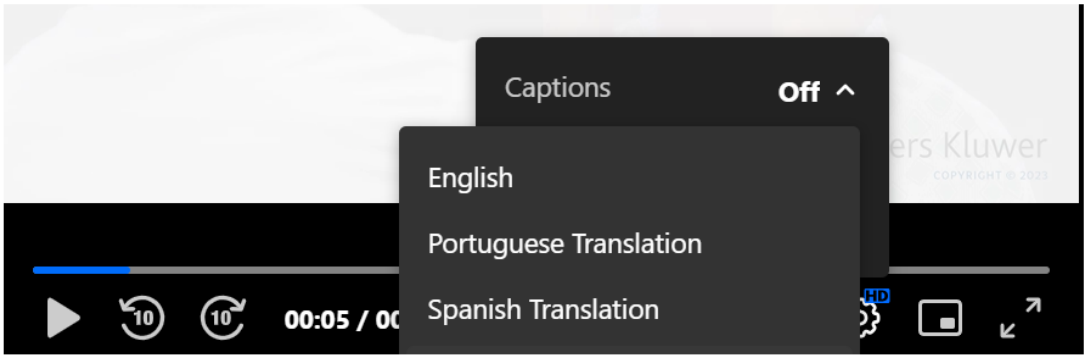
Unique Video URLs

Access Bates' URLs and a guide for mapping URLs (from before June 2024) to new URLs (from June 2024 and following) here.

- Each full video contains a unique URL, making it easy to incorporate video links into course material.
- Simply navigate to the video of interest, copy the unique URL, and paste it into your course material.

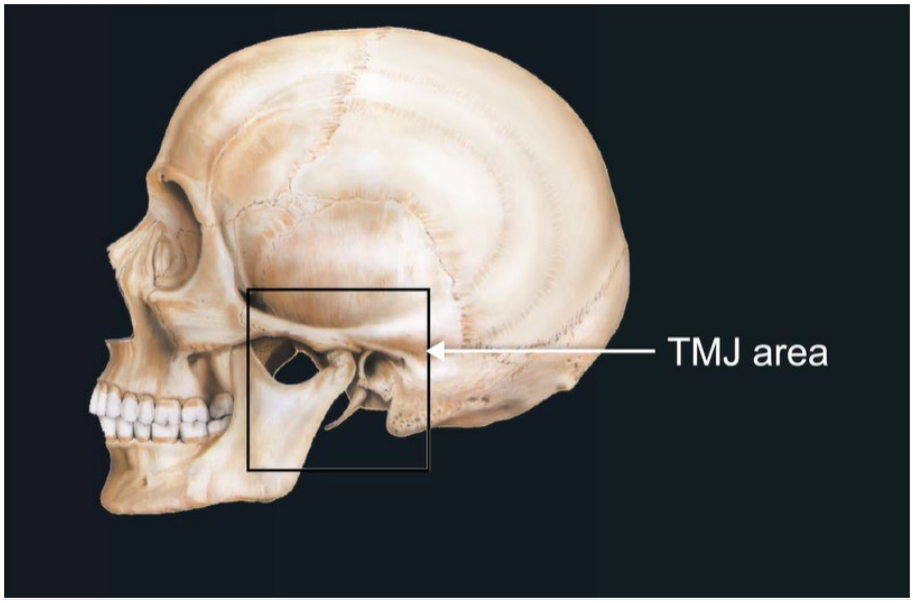
On-Screen Text

- Captions of the audio commentary from each video can be enabled in the player via the  icon.
- Select English, Portuguese, or Spanish captions language using Captions menu. (Note that narration is in English only.)



- Whenever appropriate, labels are included in the video to point out key structures.

Copyright © 2024 Wolters Kluwer. All rights reserved.



- Note that choosing a language from the Captions menu changes the language only for the captions.
- To change the language for the user interface from English to Spanish, select the language from the upper right on any page.
