ANNEX A: PROCESSES FOR THE AUTHORISATION OR APPROVAL, AS APPROPRIATE, OF MITIGATION ACTIVITIES, AND THE ISSUANCE, AUTHORISATION AND TRANSFER OF ITMOs

1. This Annex concerns the processes relating to:

   (a) the authorisation or approval, as appropriate, of mitigation activities and Kenya's authorisation of mitigation outcomes generated by the authorised or approved mitigation activities, pursuant to Article 4 (Joint Authorisation or Approval, as appropriate, of Mitigation Activities and Authorisation for Mitigation Outcomes) of this Agreement; and

   (b) the issuance of mitigation outcomes from authorised or approved mitigation activities and the transfer of the ITMOs, pursuant to Article 8 (Issuance and Transfer of ITMOs) of this Agreement.

2. The flow-chart in this Annex outlines the above processes. Pursuant to Article 4(3) of this Agreement and in accordance with Article 12 (Transparency) of this Agreement, the Parties shall publish the common document setting out the necessary processes established by the Parties.

3. The Parties shall publish the relevant forms and templates in accordance with Article 12 (Transparency) of this Agreement.

4. Notwithstanding Article 12 (Transparency) of this Agreement, the Parties shall publish the information under paragraphs 2 and 3 of this Annex within six months of this Agreement entering into force.

5. The Parties have designated the following contact points for all communication concerning the processes under this Annex:

   (a) For Singapore:
   National Environment Agency (NEA)

   (b) For Kenya:
   Ministry of Environment, Climate Change and Forestry
   National Environment Management Authority (NEMA)

   (c) For the Joint Committee:
   Singapore – National Environment Agency (NEA)
   Kenya – Ministry of Environment, Climate Change and Forestry & National Environment Management Authority (NEMA)

Annex A-I: Flow-chart
