Nurturing Every Child Today to Inspire a Change Tomorrow

2027

Welcome Message

Dear Parents,

On behalf of Commit Learning SchoolHouse (CLS), we would like to extend a warm welcome to you and your child as you join our CLS family.

As a trusted name in student care and kindergarten services for children aged 4 to 12 since 2013, Commit Learning SchoolHouse (CLS) is committed to offering a comfortable, creative, and structured after-school care environment designed to support the holistic development of every child.

Guided by our core principles of being Committed, Confident, Curious, Collegial, Competent, Cultured, imbued with a Can-Do Spirit, and Considerate, we deliver hands-on, practical learning that readies our students for what lies ahead.

Although we have grown from humble beginnings to over 30 school-based Student Care Centres (SCC), and 14 Kindergarten Care (KCare) centres, the well-being and development of our students remain our highest priority.

Through a combination of our unique core programmes like our Student Leadership Programme and Values in Action initiative, guided by passionate and dedicated SCC coaches, we equip every student with essential character values, skills, and attitudes - empowering them to take on meaningful roles within their peer groups, school, and community, and grow into confident, responsible leaders of tomorrow.

With more than a decade of expertise in nurturing lifelong learners and globally minded citizens, we are honoured to partner with Meridian Primary School as we continue this mission.

Yours faithfully,
Management

Catering for Our SCC

Our SCC meals are catered by four major companies - SAMSUI (a subsidiary of Soup Kitchen), GOURMETZ (a subsidiary of Neo Group), Wilmar International Singapore, and Foodfare (an NTUC Social Enterprise).

In addition, all four caterers are Halal certified and offer vegetarian options to cater to a wide range of dietary needs.

Wipe down, daily cleaning of high-touch surfaces and disinfecting of the premises will be carried out.

The ratio for supervision is 1 adult to 25 students.

Coaches focus on ensuring homework completion, rather than teaching or providing direct academic assistance.
