Stapling of Primary Mathematics Practice Book 4A and 4B Activity Sheets

Dear Parent/Guardian,

We would like to seek your help to remind/guide your child to:

- tear out the activity sheets of the Primary Mathematics Practice Books along the perforated lines;
- staple the activity sheets and the sticker page (if any) based on the instructions below;
- write his/her name and class on each set of activity sheets;
- attach a paper fastener to each Primary Mathematics Practice Book cover.

This is to help lighten your child's school bag, as your child will only be required to bring along the relevant set of activity sheets for each lesson.
