Taxable period

4. The taxable period connected with the tourism event is the period between 2 October 2025 and 5 October 2025 (both dates inclusive).

Taxable transactions on which cess is payable

5.—(1) Subject to sub-paragraph (2), the following arrangements are taxable transactions connected with the tourism event on which cess is payable:

- (a) a legally enforceable arrangement —
 - (i) that is wholly or in part for accommodation —
 - (A) provided or to be provided for use at any time during the taxable period; and
 - (B) at premises specified (whether by name or address) in Part 1, 2 or 3 of the Schedule, if used as a hotel when the accommodation is so provided; and
 - (ii) where one party to the arrangement is the operator of the hotel;
- (b) a termination of an arrangement mentioned in sub-paragraph (a).

(2) The following arrangements are not taxable transactions connected with the tourism event on which cess is payable:

- (a) an arrangement mentioned in sub-paragraph (1)(a) where —
 - (i) the accommodation that is provided or to be provided under the arrangement, is or is to be provided to an individual in connection with an order under section 15 or 17(3) of the Infectious Diseases Act 1976 relating to any infectious disease; and
 - (ii) either of the following applies:
 - (A) one party to the arrangement is the Government or a body established by or under a public Act for a public purpose;
 - (B) the premises at which the accommodation is or is to be provided are designated by a body established by or under a public Act for a public purpose, as a facility providing

accommodation to individuals mentioned in sub-paragraph (i), who are members of the crew of any ship;

(b) a termination of an arrangement mentioned in sub-paragraph (a).

(3) In this paragraph, “infectious disease” has the meaning given by section 2 of the Infectious Diseases Act 1976.

Tourism event establishment making taxable transactions

6. The tourism event establishment making the taxable transaction connected with the tourism event mentioned in paragraph 5(1) is the operator of the hotel.

Amount of cess

7. The cess payable on a taxable transaction connected with the tourism event is as follows:

- (a) 30% of the gross receipts derived or treated as derived from each taxable transaction concerning premises specified in Part 1 of the Schedule used as a hotel;
- (b) 20% of the gross receipts derived or treated as derived from each taxable transaction concerning premises specified in Part 2 of the Schedule used as a hotel;
- (c) 15% of the gross receipts derived or treated as derived from each taxable transaction concerning premises specified in Part 3 of the Schedule used as a hotel.

Gross receipts where consideration paid wholly in money

8.—(1) This paragraph applies to every taxable transaction connected with a tourism event where consideration for the taxable transaction is paid wholly in money.

(2) To avoid doubt, sub-paragraph (1) includes a taxable transaction in paragraph 5(1)(b) (called in this sub-paragraph *T2*) —

- (a) that relates to a taxable transaction in paragraph 5(1)(a) (called in this sub-paragraph *T1*) whose consideration is

payable in money's worth, or in both money and money's worth; and

- (b) where none of the consideration for *T1* is forfeited as a result of *T2*, and the consideration for *T2* is paid for wholly in money.

(3) The gross receipts derived from a taxable transaction in paragraph 5(1)(a) connected with the tourism event is the total of the following:

- (a) the consideration paid for the taxable transaction;
- (b) all additional payments as follows:
 - (i) any sum paid for what is commonly known as early check-in or late check-out;
 - (ii) any sum paid for providing additional sleeping facilities in the same accommodation.

(4) The gross receipts derived from a taxable transaction in paragraph 5(1)(b) connected with the tourism event is the total of the following:

- (a) all charges paid for the termination;
- (b) all deposits forfeited because of the termination.

Gross receipts in other cases

9.—(1) This paragraph applies to —

- (a) every taxable transaction in paragraph 5(1)(a) connected with the tourism event, where —
 - (i) the taxable transaction is described as complimentary or as a gift;
 - (ii) the consideration for the taxable transaction is paid in money's worth, or in both money and money's worth; or
 - (iii) the taxable transaction is a consequence of another transaction that is not a taxable transaction connected with the tourism event; and

- (b) every taxable transaction in paragraph 5(1)(b) connected with the tourism event, where the whole of the consideration mentioned in sub-paragraph (a)(ii) is forfeited as a result of that taxable transaction.

(2) Subject to sub-paragraph (3), the amount treated as the gross receipts derived from a taxable transaction to which this paragraph applies concerning premises used as a hotel (called in this paragraph *H*), must be calculated in accordance with the formula $TGR \div N$, where —

- (a) TGR is the total amount of gross receipts for every taxable transaction mentioned in paragraph 8(1) in relation to *H*, calculated in accordance with paragraph 8(3) and (4); and
- (b) N is the aggregate of the number of rooms on each day of the taxable period required to be provided under the taxable transactions in sub-paragraph (a), and which —
 - (i) were used by guests of *H*; or
 - (ii) were not used due to the intended guests of the rooms failing to arrive at *H* (commonly known as a no show).

(3) Where the TGR under sub-paragraph (2) is zero, the amount treated as the gross receipts derived from a taxable transaction to which this paragraph applies concerning premises used as *H* is —

- (a) the amount calculated in accordance with the formula in sub-paragraph (2) as applied in relation to *H* for an event that —
 - (i) the Board determines is equivalent to the tourism event mentioned in paragraph 3; and
 - (ii) took place before 2025, or, if there is more than one such event, the most recent of such events; or
- (b) if there is no such amount under sub-paragraph (a) — the amount calculated in accordance with the formula in sub-paragraph (2) as applied, for the tourism event mentioned in paragraph 3, in relation to another hotel

that the Board determines is comparable to and in the vicinity of *H*.
