List of NUS Programmes (35)

S/N	Programmes	Intake	Application Period
1	Master of Science in Smart Industries and Digital Transformation @	Aug	Nov - Jan
2	Master of Computing in Infocomm Security @	Aug	Oct - Jan
3	Master of Computing – General Track @	Aug	Oct - Jan
4	Master of Science in Safety, Health and Environmental Technology	Aug Jan	Jul - Aug Oct - Feb
5	Master of Technology - Digital Leadership@	Jan	Before 1 Oct
	Master of Technology - Enterprise Business Analytics@	Jan	Before 1 Oct
	Master of Technology - Artificial Intelligence Systems@	Aug Jan	Before 1 Oct From 1 Oct
	Master of Technology - Software Engineering@	Aug Jan	Before 1 Oct Oct - Mar
6	Master of Science (Artificial Intelligence & Innovation) @	Aug	Nov - Jan
7	Master of Science in Chemical Sciences	Aug	Oct - Mar
8	Master of Science in Physics	Aug	Oct - Mar
9	Master of Science in Physics for Technology	Aug	Oct – Mar
10	Master of Science (Chemical Engineering)	Aug Jan	Oct – Feb Jul - Aug
11	Master of Science in Energy Systems	Aug	Oct – Feb
12	Master of Science (Management of Technology & Innovation) - Innovation and Entrepreneurship - Data Analytics for Innovation Management - Product Management and Digital Strategy	Aug	Oct – Feb
31	Master of Computing (Information Systems) @	Aug	Oct - Apr
32	Master of Science (Robotics)	Aug Jan	Oct – Feb Jul – Aug
33	Master of Science (Civil Engineering) - Structural Engineering - Geotechnical Engineering - Infrastructure Digitalisation and Management - Transport and Urban Mobility - Sustainable Climate Resilience	Aug Jan	Oct – Feb Jul – Aug
34	Master of Science (Building Performance and Sustainability)	Aug	Oct - Feb

35	Master of Science (Nursing)	Aug	May – Nov

[@] ***Digital programmes***

Highlights in green are programmes that enable MEs in attaining higher expertise in their functional and/or specialised domains and qualify for higher MASC levels.
