

Legal Services, Ministry of Digital Development & Information

Expectations/ Scope of Internship	Interns will undertake research and/or work assignments on topics relevant to MDDI's functions and operations. Such topics include contracts, data protection, info-communications and media, cybersecurity, emerging tech like AI, and administrative and constitutional law. Interns are expected to be able to perform research and work independently, and to produce written work, as well as conduct presentations on their work.
Eligibility	Applicants should be at least a 2nd year law student, and a Singapore citizen. It will be an advantage if you have studied contract law, administrative and constitutional law, IT law and/or media law.
Period of Internship	May – Sep 2026
Duration	2 to 3 weeks. All applicants who wish to be shortlisted for an internship must be able to commit to the full period/duration of the internship.
