Legal Services Department, Ministry of Defence

Expectations/ Scope of Internship	An internship with MINDEF Legal Services Department offers interns the unique opportunity to be exposed to the niche areas of law relating to military forces: the Military Justice System, the Law of Armed Conflict, as well as other wider areas of public international law and domestic law. Interns will be given the opportunity to observe the conduct of military court proceedings, and (depending on timing) the practice of the law in military exercise settings. Interns will also be assigned a dedicated research project during their stint, and will be required to present their findings to the department at the end of their attachment. This will enable interns to work independently, while still being guided by their supervisor, and to learn and build confidence before a group of legal officers.
Eligibility	3rd and 4th year law students preferred.
Period of Internship	28 Jun 2027 – 23 Jul 2027
Duration	4 weeks. All applicants who wish to be shortlisted for an internship must be able to commit to the full period/duration of the internship.
