Competition & Consumer Commission of Singapore

The Competition and Consumer Commission of Singapore ("CCS") Legal & Enforcement Divisions provide CCS with the legal and enforcement expertise necessary for CCS to perform the functions and discharge the duties under the Competition Act.

Legal officers are actively involved in conducting investigations, advising other government agencies on competition matters and analysing the merits of notifications for guidance or decision, and merger filings. In addition, Legal officers also undertake critical review of the Competition Act, subsidiary legislation and CCS's guidelines and perform in-house legal advisory work required in the execution of CCS's functions and represent CCS in all court and appeal proceedings.
