PARTNERSHIPS
OFFICE

PARTNERSHIPS
FUND

Planting the seeds of ideas and growing a community where changemakers of every kind can bloom. The SG Partnerships Fund (SGPF) is a \$50 million fund dedicated to supporting citizen-led projects that create positive change to the community and Singapore.

SGPF offers support for citizen-led projects at varying stages of growth:

SEED

PILOTS (up to \$5,000)

For individuals, ground-ups and SG-registered organisations with new ideas to pilot in their community.

Up to
100%
of supportable
programme costs

Open for
applications year-round

SPROUT

PROJECTS (up to \$50,000)

For individuals, ground-ups and SG-registered organisations looking to grow their impact.

Up to
80%
of supportable
programme costs

Apply when
application cycle opens

SCALE

INITIATIVES (up to \$1 million)

For SG-registered organisations to deliver sector-wide impact.

Up to
80%
of supportable
programme costs

Apply when
application cycle opens

Whether you're starting out or already bringing your ideas to life, the fund welcomes you to partner with the Government on initiatives that benefit our community and Singapore.

Got an idea for social good? Plant it, grow it and let's bloom together. Visit our website to find out more: www.sgpo.gov.sg/sgpf
