

TECHNOLOGIES AND EQUIPMENT

As part of the Infantry, you will be equipped with cutting-edge weapon systems built for speed, precision, and adaptability in any terrain. From smart designs to advanced targeting, you will operate with the latest tech on the modern battlefield. It's a dynamic, impactful career where every soldier plays a vital role.

The **Terrex Infantry Carrier Vehicle (ICV)** is a powerful, high-tech asset for modern soldiers. In the Infantry, you'll operate with top-tier protection, real-time connectivity, and advanced firepower. Its mobility and amphibious capabilities give you the edge to succeed in any terrain — placing you at the forefront of innovation.

Manoeuvring with swift mobility and delivering suppressive firepower with the Terrex.

Unmanned Aerial Vehicles (UAV) are reshaping the battlefield — and in the Infantry, you're in command. You will use advanced UAVs for real-time surveillance, gaining the tactical edge in any terrain. It's a high-tech, high-impact role that lets you dominate both the skies and the ground.

Operating drones that provide heightened surveillance to aid in the battle.

INFANTRY

Achieving the extraordinary is your regular.

Discover how a career in Infantry is **ANYTHING BUT REGULAR**

ABOUT INFANTRY

The Infantry is the core fighting force of the Singapore Armed Forces (SAF), responsible for conducting ground operations that protect our nation. We are highly trained warriors skilled in close combat, manoeuvre warfare, and mission-critical tasks across all environments.

Technology and platforms may change, but what remains constant is how the Infantry represents the heart and soul of our Army. We are the mud, rain, and all-weather force. Without us, wars cannot be won. We are the people that venture into places where no other forces can.

This is the Infantry, where we lead ordinary people to achieve extraordinary outcomes. Together, we forge ahead and we leave no one behind. **We are Infantry!**

UNIQUE OPPORTUNITIES

A career in the Infantry is more than a job — it is a journey of growth and transformation. The Infantry invests heavily in the development of its people, offering structured progression in multiple domains.

Beyond military operations, you will gain valuable life skills — leadership, stress management, crisis response, and strategic planning. These are highly transferable and deeply valued in today's environment, marked by rapid change and growing unpredictability.

You will also gain valuable international exposure through a wide range of multilateral and bilateral overseas exercises, training alongside the best from around the world. These opportunities not only sharpen operational skills in diverse environments but also foster cultural understanding, global awareness, and a deep sense of pride in representing Singapore on the international stage. For the next generation seeking a meaningful and adventurous career, the Infantry offers the chance to grow as a leader while building friendships and partnerships.

Conducting a bilateral urban operations tactical drill with the Indonesian Army during Exercise Safkar Indopura.

ROLES AND SPECIALISATIONS

MOTORISED INFANTRY

You will operate with cutting-edge platforms, enabling rapid movement and firepower across complex terrain. This specialisation combines speed, technology, and tactical strength, giving you the chance to master advanced systems and execute decisive operations with high mobility.

LIGHT INFANTRY

You will be highly agile and trained to excel in diverse terrains — from dense jungles to urban landscapes — where stealth, endurance, and adaptability are key.

ISLAND DEFENCE OPERATIONS

You will play a crucial role in defending our homes, protecting Singapore's key installations and maintaining homeland security.

ROLES AND SPECIALISATIONS

Across these domains, you can take on various roles: **Commander**, **Trainer**, and **Staff Officer**.

As a **Commander**, you will lead soldiers on the ground, making real-time decisions in dynamic and challenging environments. As a **Trainer**, you will impart battlefield knowledge and guide the next generation of Infantry soldiers towards excellence. As a **Staff Officer**, you operate behind the scenes to drive operations and policies that shape the success of the Infantry and the Army.

As the Army's largest touchpoint with every soldier, a career in the Infantry offers unique opportunities to leave a lasting legacy. Whether leading from the frontlines or shaping strategy behind the scenes, every Infanteer plays a vital role in forging the next generation of soldiers. Regardless of your role or specialisation, the Infantry promises a dynamic and purposeful journey. At the heart of every mission, you will not only influence the outcome of engagements, but also help define the Army's future. Be it through operations or policy, you will embody the spirit of the Infantry: **"When the Infantry moves, the Army moves."**

COMMONLY ASKED QUESTIONS

AM I REQUIRED TO BE OUTFIELD FREQUENTLY IF I JOIN THE INFANTRY? IS THERE WORK-LIFE BALANCE?

Joining the Infantry doesn't mean constant fieldwork. Your experience varies by training phase, unit, and role — from soldiering as a trainee, to leading as a commander, to handling planning as a staff officer. Our Army also supports flexible hours and with secure laptops enabling you to work remotely or at home (subject to approval).

WHY JOIN INFANTRY?

As the Army's largest formation, the Infantry offers diverse roles — from motorised and light infantry to island defence, civil emergencies, and humanitarian missions. With its broad scope, you'll gain hands-on experience and the chance to lead and make a real impact. If you're driven to create change, this is where your leadership starts.

IS INFANTRY A PHYSICALLY DEMANDING JOB?

Physical fitness is fundamental to every soldier. You will receive progressive, well-structured training to build your resilience and ensure you are fully prepared for the physical demands of an Infanteer.
