

President's Challenge 2026 - Benefitting Organisations & Programmes

S/N	Organisation	Programme	Programme Details
1	DREAMS (SINGAPORE) LIMITED	DREAMS Residential Living	Aspirational boarding residence for Secondary 1-4 students from public rental housing, providing structured weekday living environment with life skills training, community building, and leadership development to break poverty cycles.
2	APSN LTD.	CW 6, 7, and CW 8: A Continuous Care Pathway for Adults with Mild Intellectual Disability and Higher Support Needs	Addresses service gaps for adults with mild intellectual disability who do not fit existing pathways. Provides vocational training and structured half-day programmes with allied professional support to prevent regression and support transition to employment.
3	Autism Resource Centre (Singapore)	Employability and Employment Centre (E2C) Job Support Programme	Singapore's first autism-focused job training and placement programme providing adults on the autism spectrum with employability skills, job placement, and sustained long-term job support to ensure employment retention and career growth.
4	Beyond Social Services	CCA (Creative Community Associations)	CCA serves children and youth from low-income families in rental-flat neighbourhoods through structured sports and theatre programmes. The initiative builds confidence, teamwork, and social connectedness among participants whilst engaging parents and volunteers as facilitators. Using the Circle of Courage framework, it nurtures belonging, mastery, independence, and generosity to strengthen intergenerational relationships and community wellbeing.
5	BIZLINK CENTRE SINGAPORE LTD	Introduction to AI-Assisted Graphic Design	Provides adults with disabilities (high support needs) training in AI-assisted graphic design tools like Canva, Adobe Suite, and Runway Video AI. Focuses on building digital skills, creativity, and confidence through hands-on learning and project creation. The aim is to reduce the accessibility gap and empower trainees with skills that are both inclusive and relevant to today's digital world.
6	BRAIN TUMOUR SOCIETY (SINGAPORE) LIMITED	BTSS Empowerment Grant	Provides small-scale financial support and guided follow-up to help brain tumour survivors acquire new skills, adapt to changed abilities, and reintegrate meaningfully into society after stabilisation phase.
7	CampusImpact	Study Buddy	After-school care programme providing a safe space, socio-emotional learning, and life skills development for children from lower-income families, operating daily during term time and school holidays.
8	CARINGSG LIMITED	Future Care Alignment Initiative	Multi-component programme to prepare siblings for future caregiving roles of persons with disabilities. Includes sibling inclusion guidelines, a comprehensive disability-responsive planning document, supported decision-making tools, capability workshops, and peer support circles.
9	CENTRE FOR FATHERING LIMITED	ICAN Programme	The programme aims to provide incarcerated fathers with bonding opportunities with their children, equip them with confident parenting skills, and prepare ex-inmates with life skills for post-prison reintegration.
10	CHILDREN'S CANCER FOUNDATION	Wellness Programme	A comprehensive physical reconditioning programme for childhood cancer survivors focusing on rebuilding strength, mobility, and confidence. Includes peer leadership development, self-management education for late effects, and partnerships with community health initiatives like ActiveSG to support long-term wellness and active lifestyle adoption.
11	CHRISTIAN OUTREACH TO THE HANDICAPPED	COH Consolidated Therapy Programme (Physiotherapy)	Three-year community-based programme training senior citizen volunteers to support professional therapists in delivering structured therapy and social engagement activities for adults with disabilities.
12	Diabetes Singapore	Sugar Smart Families	Community-driven programme dedicated to uplifting low-income families by equipping them with knowledge, tools, and support to prevent, manage, and overcome diabetes challenges through education, screening, nutritional support, and ongoing care.
13	Empowered Families Initiative Ltd.	Empowered Families Initiative	Empowered Families Initiative (EFI) is a developmental initiative that empowers lower-income families in Singapore to improve their socio-economic position through a three-pronged, six-month programme – i) grants for families to pursue income-generation goals ; ii) matching of savings and bonus for consistent savings; and iii) peer support collectives.
14	Epworth Community Services	Bold Horizon	Provides early, community-based mental health support for children, youths and caregivers affected by adverse childhood experiences. Through therapy, caregiver coaching, mentoring and strengths-based activities, the programme helps children heal, build resilience and confidence, while strengthening family relationships and creating a more stable environment for growth.

S/N	Organisation	Programme	Programme Details
15	ETONHOUSE COMMUNITY FUND LIMITED	Joyful Learning and Enhanced Literacy Support Programme	Nurtures love for reading and builds foundational literacy skills among children from low-income families through a year-long reading programme with story-based curriculum and targeted literacy support for struggling readers. Programmes aim to help children build confidence, participate actively and develop positive learning attitudes, setting them on a more equitable educational trajectory.
16	Fei Yue Community Services	Hope Horizon	A structured 3-year programme that empowers ex-offenders and their families to achieve long-term reintegration through coordinated emotional, social, and economic interventions. The design follows a continuum-of-care model: from early engagement after release to sustained employability and family restoration.
17	FOUNDATION OF ROTARY CLUBS (SINGAPORE) LTD	SOBERISE – Re-claiming & Re-building Lives	Community-based alcohol addiction management programme serving western Singapore, integrating arts, sports, talent development with preventive interventions and counselling support in collaboration with regional hospitals.
18	FRIENDS OF THE DISABLED SOCIETY	Skills & Entrepreneurship Programme (SEP)	Programme serves persons with disabilities excluded from mainstream employment through adapted creative arts, entrepreneurship, and operations training. Participants develop skills in accessible environments, create and sell artwork through a social enterprise, and earn income whilst building confidence. The programme transforms withdrawn individuals into confident contributors who mentor others and gain meaningful participation in society.
19	GLYPH COMMUNITY LIMITED	Weekend Home @ Marsiling	Glyph Community operates the Marsiling Weekend Activity Home, a structured weekend enrichment and caregiving programme for children aged 5 to 12 living in the Woodlands estate. The programme runs inside the MSF ComLink site at 182A Woodlands St 13, enabling seamless referral pathways and coordinated follow-ups with MSF befrienders. The centre currently supports 20 registered children, with an average of 15 attending every weekend.
20	HCSA COMMUNITY SERVICES	HCSA Dayspring: OWENA	HCSA Dayspring serves young women who are alumni of residential care, having experienced abuse and high emotional/behavioural needs during their teenage years. Through peer support programmes, continued aftercare with monthly check-ins, leadership development, and therapeutic camps, it provides trauma-informed transitional support during community reintegration. The programme empowers alumni to rebuild confidence and resilience whilst fostering peer mentorship and giving back to the community that supported them.
21	HEARTWARE NETWORK	Children Support Programme by Youth volunteers	A dual-impact project pairing youth volunteers with disadvantaged primary school students for weekly academic support and mentoring. Includes structured homework guidance for upper primary students and reading sessions for lower primary students, conducted on school premises to build confidence, motivation, and academic readiness whilst developing youth leadership.
22	HOME FOR GOOD, SINGAPORE LTD.	Mentor for Good Programme	Home for Good Singapore (HFG-SG)'s Mentor for Good programme bridges a critical gap in Singapore's foster care ecosystem by pairing experienced foster parents ("mentors") with new or struggling foster parents ("mentees") for a 12-month structured journey. Mentors receive training, orientation, and support from HFG-SG to ensure consistency, maintain boundaries, and achieve impact.
23	HOME FOR GOOD, SINGAPORE LTD.	Buddy for Good Programme*	Home for Good, Singapore, launched the Buddy for Good programme to build a community of trained befrienders who support foster children and foster and biological parents throughout their journey – from placement to reunification. Kintsugi, an expansion of the Buddy for Good programme, is a facilitated workshop series, in collaboration with the charity Awful Grace Ltd, that helps foster and biological parents reflect, build empathy, and strengthen their caregiving approach, with the child at the heart of decision-making. Together, these initiatives address the gap in the fostering ecosystem by strengthening continuity, resilience, and permanency in foster care
24	Life Community Services Society	Project Beacon	Creative arts programme for children aged 4-14 from low-income families in Bedok, using art as an emotional expression and talent development tool, with community partnerships for intergenerational bonding and equitable opportunities for vulnerable children. The agency will work with community partners to conduct creative art workshops (visual art, dance, music) including art appreciation and analysis, encouraging the child to see beyond the surface of the artwork, analyse aspects of the piece, and explore their emotions. Complementing these workshops will be a mentoring programme where each child will be mentored by a trusted adult role model under a child-centered mentoring framework.
25	LIMITLESS (LTD.)	SAFEHOUSE: Online Mental Health Support for Youths	Discord-based anonymous mental health support platform for youths aged 13-25, providing accessible emotional support, early intervention, and appropriate service referrals through digital channels.

S/N	Organisation	Programme	Programme Details
26	LUTHERAN COMMUNITY CARE SERVICES LIMITED	Project Rekindle	Supports inmates with distressed family relationships through a three-phase project (Preparation for Reconnection, Strengthening Bridges, Sustaining Connection) using individual sessions and facilitated family circles based on restorative practices to rebuild family connections and reduce recidivism.
27	LUTHERAN COMMUNITY CARE SERVICES LIMITED	Project ReMENdy	Project ReMENdy is a trauma-informed initiative targeting men with adverse upbringings, unresolved shame, or relational hurt who struggle to seek help due to masculine norms. Through peer support, restorative dialogue, and community circles, it helps men process trauma, develop emotional literacy, and build healthy relationships, creating male allies who support others and strengthen community connections.
28	LUTHERAN COMMUNITY CARE SERVICES LIMITED	Bridges to Love	Bridges to Love (BTL) is a programme designed to support transnational families by enhancing marital relationships and promoting effective cross-cultural parenting through targeted parent coaching. The initiative aims to strengthen communication, mutual understanding, and parenting skills between transnational couples who are navigating bi-cultural contexts by providing practical tools and guidance to foster a stable, nurturing, and cohesive home environment.
29	Metta Welfare Association	Metta School Alumni	Metta Alumni Care serves Metta School graduates with mild intellectual disability and/or autism who typically face significant employment barriers. Through Arts@Metta and Metta Café, it provides structured vocational training, commercial apprenticeships, case management, and job coaching in supportive settings. The programme builds confidence, employability, and independence whilst creating sustainable employment opportunities and breaking cycles of underemployment.
30	Milk (Mainly I Love Kids) Fund	Uplift!	Career readiness and financial literacy programme for at-risk youth aged 10-19, strengthening confidence, communication, and consistency through experiential workshops, mentoring, and technology-enabled learning. Together, these elements give at-risk youth clear and actionable pathways to manage money well, build healthier habits, improve decision making and sustain participation in work or education.
31	MUSCULAR DYSTROPHY ASSOCIATION (SINGAPORE)	MDAS Art Class Programme	An adaptive art programme for individuals with muscular dystrophy, providing weekly classes with specialised transport, nursing support, and adaptive tools. Enhances artistic achievement, builds confidence, addresses social isolation, and creates opportunities for public showcases and community engagement despite significant physical limitations.
32	NATIONAL UNIVERSITY OF SINGAPORE	Psychological First Aid 2.0	Hybrid training project combining in-person workshops with AI-enabled mobile application for community volunteers and older adults, focusing on mental health literacy, empathic communication, and peer-led psychological first aid delivery.
33	NEW LIFE STORIES LIMITED	Mama's Bae (Pregnant Mothers in Prison)	A customised befriending service will be provided to mothers after giving birth in prison post. Mothers who give birth in prison and almost immediately have to separate from their babies experience mixed emotions of attachment, loss and abandonment towards their babies, which leaves them uncertain about the future while experiencing depression, anxiety, and low self-worth at the same time.
34	ONE HOPE CENTRE	Behavioural Addiction Recovery Programme	Supports individuals and their families as they journey on the recovery process from addiction. Through counselling and peer support over six months, the programme helps beneficiaries and their affected family members understand triggers, build healthier coping strategies, strengthen relationships, and sustain recovery over time.
35	PRISON FELLOWSHIP SINGAPORE/ Seventy Times Seven	Care Club	Comprehensive support programme for children and youth (up to 16 years) of incarcerated parents through structured weekly activities. Combines academic support, character development, arts, sports, and mentoring to address holistic needs and break intergenerational cycles of crime by engaging community volunteers as tutors and activity leaders.
36	PRO BONO SG	Help Centre @ Family Justice Court	The centre serves self-represented persons (SRPs) in family court proceedings through Pro Bono SG officers who provide intake, triage, and referral services. It guides SRPs to appropriate legal-aid or community-support schemes whilst identifying vulnerabilities and coordinating with social services. The centre empowers vulnerable individuals and families to navigate complex family law processes independently through accessible, integrated legal services.
37	REACH COMMUNITY SERVICES LTD.	Project GEMinate	Supports children aged 6 to 12 who have experienced challenges such as parental separation, neglect, abuse, and trauma. Through community sports and play therapy, the programme builds resilience, confidence, and emotional well-being, while identifying those who require more targeted support.
38	RISE THRIVE INITIATIVE LTD.	Pathways to Self-Agency: Strengthening Women and Families in Singapore	Integrates Her Rise Above (business training for home-based businesses) and Elevating Collective (wellbeing coaching) to support women from low-income families move from survival to stability and self-sufficiency.

S/N	Organisation	Programme	Programme Details
39	SHINE Children and Youth Services	Resilience Trails Plus: A Dignified Journey Towards Stability, Self-Reliance & Social Mobility**	An asset-based programme working alongside individuals from under-resourced communities (including families receiving financial aid) who face barriers to full-time employment due to caregiving duties, disabilities, health conditions, prior incarceration, and other challenges. Empowering them as Community Guides who lead neighbourhood walking trails creates dignified micro-work opportunities, while building transferable skills and community connections
40	Singapore Anti-Narcotics Association	SANA ACTivate: Parents as the First Line of Defence	4-hour closed-group parenting workshop providing parents with knowledge, emotional insight, and practical communication skills to identify and prevent substance abuse among their children. Targets' parents concerned or aware that their children may be involved in drug use. Structured around psychoeducation on drug awareness, shared experiences from persons with lived experience, and communication skills training.
41	Singapore Aquatics	Empowering Lives through Aquatics	A fully subsidised swimming and water-safety programme for children from low-income and vulnerable households. Through structured weekly lessons, children build water confidence, learn essential safety skills, and develop physical literacy and confidence, opening pathways to sustained participation in sport.
42	Singapore Cancer Society	GenC - Building a cancer-free generation	GenC is a programme that develops a youth squad committed to building a cancer-free generation by equipping young people with the skills, knowledge, and tools to become effective cancer advocates. The programme empowers youths to educate and prevent cancer through lifestyle awareness and early detection, support cancer patients and survivors, and amplify youth voices in policy and public health conversations.
43	Singapore Children's Society	Kaki Learn	After-school programme for children aged 4-12 from low-income families in the Yishun/Nee Soon area, focusing on literacy, mentoring by alumni, community engagement, and early intervention through trusted relationships.
44	Singapore Council of Women's Organisations	Virtue Voyagers - Project Awesome	Virtue Voyagers is a three-years experiential learning initiative by Project Awesome designed to build self-efficacy and social-emotional resilience in children at-risk. Grounded in experiential learning principles, the programme helps children aged 7-12 challenge gender stereotypes, discover their strengths, and develop confidence through exposure to inspiring stories of female leaders from the Singapore Women's Hall of Fame. Each child participates in a structured 4-week programme that combines storytelling, reflection, and creative activities. Over three years, Virtue Voyagers will progressively expand its reach through partnerships with Student Care Centres (SSCs), primary schools, and SSAs, building a sustainable model for long-term impact
45	Singapore Indian Development Association (SINDA)	EdTech ICT Plan	Structured curriculum-aligned e-learning initiative integrated into STEP tuition to improve subject mastery and develop self-directed, digitally-ready learners. Includes tutor training in e-pedagogy, ICT-enabled lessons, and digital practice assignments to enhance educational outcomes and bridge learning gaps for vulnerable students.
46	SOUTH CENTRAL COMMUNITY FAMILY SERVICE CENTRE LIMITED	Growth Collective	Structured learning programme for children from lower-income families featuring academic support, social-emotional learning, mentorship, family engagement, and community integration through 80 annual sessions.
47	SPD	Community Enablement Pathway: Living Beyond Walls	A community-anchored adult disability programme that shifts from centre-based model to community settings, supporting adults with moderate physical and/or multiple disabilities through partnerships with community organisations for enhanced independence and inclusion.
48	THE ALICIA PROJECT SG LTD.	Access to Integrated Mainstream Care for Transitional Shelter Clients	The T Project will bring together current services and expertise to provide an integrated support that builds capability to uplift clients with resources and ability to manage needs independently in the long term.
49	THE NATIONAL KIDNEY FOUNDATION	EMPower+	An enhanced employment support programme for dialysis patients in partnership with goodjobs.com.sg. Provides tailored workshops for job readiness, interview preparation, resume development, and digital skills training, along with counselling support to help medically stable patients overcome employment barriers and achieve meaningful work.
50	The New Charis Mission	Residential Rehabilitation Programme	Long-term residential project supporting individuals from challenging backgrounds including gang members, ex-offenders, and drug abusers. Provides comprehensive support through counselling, support groups, leadership development, employment assistance, and education with extended follow-up support to facilitate transformation and positive community contribution.
51	THE RICE COMPANY LIMITED	Mascot Engagement Programme	Nurtures values such as kindness, courage, and resilience among youth through arts-based learning. Participants develop socio-emotional skills - including self-awareness, communication, and collaboration - through character creation, performance, and storytelling, and go on to contribute as ambassadors at community and national events.

S/N	Organisation	Programme	Programme Details
52	<u>TOMOWORK LTD.</u>	Talent Accelerator Programme	12-week school-to-work transition programme for polytechnic and ITE graduates with disabilities. Includes workplace skills workshops, mentorship, corporate projects, and culminating presentation event to improve employment readiness and confidence.
53	<u>TOUCH COMMUNITY SERVICES LIMITED</u>	Sheltered Employment at TOUCH Centre for Independent Living@Enabling Village	Singapore's first co-located model combining Sheltered Employment and Day Activity Centre for persons with intellectual disabilities. Provides vocational training, job coaching, and employment opportunities in logistics, housekeeping, retail, and disability awareness facilitation.
54	<u>VENTURE MUSIC ASIA LTD.</u>	Starlight Programme - A Lifelong Music Community	Creates safe and nurturing space for children and youth with special needs to experience the transformative power of music through three tracks: Music-Making Programme (fun sessions to explore music), Starlight Singers (training choir), and Starlight Voices (auditioned, performance ready choir). Project seeks to increase accessibility of music to the target group, provide opportunities for continued participation and build more inclusive communities using music as a bridge.
55	<u>WATCHMAN'S HOME COMMUNITY SERVICES LTD</u>	Project Canaan	Watchman's proposal is to increase their manpower to enhance their operational/ programme efficiency, ensure that ex-offenders' reintegration are attended to promptly (e.g., accommodation, employment assistance and etc.) and that more residents of their halfway house are put through recovery and job placement programmes.
56	<u>Woodlands Social Centre</u>	Family Anchor	Family Anchor serves parents and caregivers of primary school children facing challenges like low income, developmental issues, or school disengagement. Through parenting workshops, peer support, befriender assistance, and family service learning, it builds parental capacity and confidence. The programme strengthens family bonds and promotes community activation through shared volunteerism whilst improving wellbeing for vulnerable families.
57	<u>XIN YUAN COMCARE LTD.</u>	Seniors as Heritage Mentors - Building Community Through Culture and Connection	A three-year programme that empowers socially isolated seniors to rediscover purpose and dignity by sharing dialects, life stories, and cultural traditions with the wider community. Seniors move from passive recipients to active contributors who strengthen intergenerational and cross-cultural understanding.
58	<u>YELLOW RIBBON CARES LIMITED</u>	Titans of Change: Peer-Led Reintegration	A peer-led reintegration programme supporting ex-offenders from early support after release to opportunities to guide others. Through befriending, facilitated sharing, community giveback and workforce pathways, the programme builds confidence, strengthens social support, reduces stigma, and creates a self-sustaining cycle of reintegration.
59	<u>Young Men's Christian Association of Singapore</u>	Club LITE	Club LITE supports youths and young adults (18 & above) with intellectual disabilities and autism through structured activities, social gatherings and life skills workshops. By creating regular opportunities to build confidence, social skills and independence, the programme helps participants stay connected to community life and navigate the post-school transition with greater assurance.
60	<u>Young Women's Christian Association of Singapore</u>	YWCA Empowering English Programme	Year-long, confidence-first conversational English programme for lower-income women and foreign women in transnational households who struggle with daily communication, providing gentle scaffolding and emotionally safe learning environments.
