

Guide to Internet Application for ITE Work-Study Diploma (2027 Intake)

For Nitec and Higher Nitec Graduates Progressing to Work-Study Diploma

Follow all the steps below to complete your application.

The screenshots on the next page show Steps 1 to 8.

- Use **Microsoft Edge or Google Chrome on a computer**. Do not use a mobile device, as some application features may not work properly.
- Apply at <https://for.edu.sg/wsdip-apply> from **Monday, 2 November 2026 to Friday, 26 February 2027**.
- Select '**Apply Now**' to open the application website. Before applying, you may use this [link](#) to learn more about the Work-Study Diploma courses and Colleges. This will help you choose courses that suit your interests and plans.

Important: To complete your application for the Work-Study Diploma for the April 2027 intake, you must complete both Section A and Section B below. Your application process is incomplete if you complete only one section.

A) Course Application via iStudent

Step 1	• Read the instructions on the application home page so that you know what information you will need. • Select 'Log in with Singpass' to access your application securely.
Step 2	• Read the instructions on the screen so that you understand the course requirements. • Some courses require you to pass a colour vision test. If you are considering one of these courses, complete the self-check at https://colormax.org/color-blind-test/ so that you can check whether you meet this requirement. • Select 'NEXT' to continue.
Step 3	• Check that your personal particulars are correct so that ITE can process your application using accurate information. • Update your National Service status if required. • Select 'NEXT' to continue.
Step 4	• Check and update your address, home and mobile numbers, and email address. ITE will use these details, especially your email address, to contact you about your application. • Read the Terms and Conditions. Select 'No' to change it to 'Yes' and confirm that you agree to them. • Select 'NEXT' to continue.
Step 5	• Select the <i>Nitec</i> or <i>Higher Nitec</i> qualification that you are using for this application. This allows the system to check the courses available to you. • Select 'NEXT' to continue.
Step 6	• You need to fill in all five course choices. List them in order of preference. Completing all five choices allows you to be considered for more of the courses you prefer. • If a course offers specialisations, select the specialisation you want. • Check that all five choices are included. You cannot change them after submission. • Select 'SUBMIT' to continue to the confirmation screen. Your application is not yet submitted at this point.
Step 7	• Before you submit, confirm that you have filled in all five course choices and arranged them correctly. You cannot amend your choices after submission. • Select 'YES – SUBMIT' to submit your application. You must complete this action for your application to be received.

Guide to Internet Application for ITE Work-Study Diploma (2027 Intake)

Step 8	• After submission, check that a verification slip appears. This confirms that your application has been submitted and shows your five course choices and next steps. • A User ID and Password will appear only if your iStudent login details have expired; otherwise, continue to use your myITE login. • Select 'PRINT' at the bottom of the page and keep a copy of the verification slip as proof of submission.
Important reminders • Keep your User ID and Password confidential to protect your account. • You must complete all five course choices and submit your application. Review the choices and their order carefully before submitting, because you cannot make changes afterwards.	
A) Job Application, Interviews and Offers via Work-Study Diploma Connect (WSDC)	
Step 9	• As part of the next phase of the application process, you are required to actively apply for suitable job opportunities through Work-Study Diploma Connect (WSDC) and secure employment with a sponsoring company before enrolment into the programme. • Log in to Work-Study Diploma Connect (WSDC) at https://wsdip.ite.edu.sg with Singpass, then apply for job openings related to your chosen course or courses. This allows sponsoring companies to consider you for employment. • Enable third-party cookies so that the WSDC portal works correctly. Learn how to enable third-party cookies. • Check each job posting carefully, as companies may have additional hiring criteria beyond the basic programme requirements. • For help with registration and using WSDC, refer to the User Guide for Applicants.
Step 10	• Open the 'My Applications' tab in WSDC to check for interview offers. Accept or decline each offer promptly so that companies know if you are keen to attend. • After you accept an interview offer in WSDC, wait for the company to contact you directly with the interview arrangements. • Prepare for and attend your interviews so that companies can assess your suitability. If you need help preparing, book a consultation with our Education and Career Coaches at https://for.edu.sg/ecq-for-wsdip-applicant. • Log in to WSDC regularly to check for new job postings and interview updates. • Job application outcomes are managed directly by the respective companies. Application statuses will be updated directly in WSDC by the hiring companies. In line with standard industry practice, only shortlisted candidates will be contacted by the companies. • If you do not hear from the company, you may contact the company directly.
Step 11	• Check WSDC for job offers. Accept or decline each offer before it expires so that you do not miss the opportunity. • Review the offer carefully before accepting it. Once you accept a job offer, you cannot accept another job offer in WSDC. • You must be hired by a sponsoring company before you can enrol in the Work-Study Diploma programme.

Step 1: Read the instructions so that you know what information you will need. Then select ‘Log in with Singpass’ to access your application securely.

Application Main Page

Admission Application Form - WORK-STUDY DIPLOMA Admit Term: 2027 April

Application for Progression to Work-Study Diploma Courses (2027 April Intake)

Please note the application period below:

- Between Mon 2 Nov 2026 (9AM) and Fri 26 Feb 2027 (6PM)

Read the following information before you proceed with the application.

1. Please ensure that you have completed Steps 1, 2 and 3 before submitting your application online.

Step 1: Important Information on WSDip	Step 2: Which WSDip suits me?	Step 3: Interview Preparation	Step 4: Apply NOW!
--	---	---	------------------------------

2. The application is only for:

- Singapore Citizens, Permanent Residents & Long Term Visit Pass Plus (LTP+) Holders
 - Higher Nitec graduates or full-time Higher Nitec students in their final term of study from the relevant feeder courses
 - Nitec graduates or full-time Nitec students in their final term of study from the relevant feeder courses with a Grade Point Average (GPA) score of at least 2.0
- Note for Current Work-Study Diploma Students:**
- If you are already enrolled in a Work-Study Diploma course, please do not apply for another course unless you have officially withdrawn from your current programme.

3. Courses offered to in-service employees only (Application Not Available via iStudent):

- Nursing (for in-service enrolled nurses only)

4. For the following courses with specialisation, please select the specific course codes during your application:

- Customer Experience Management (Aviation)
- Customer Experience Management (Cabin Services)
- Customer Experience Management (Lifestyle & Consumer)
- Electronics & Computer Engineering (Applied Electronics & AI)
- Electronics & Computer Engineering (IoT & Data Engineering)
- Integrated Supply Chain Management (Logistics)
- Integrated Supply Chain Management (Wholesale Trade)
- Land Transport Engineering (Operations Management)
- Land Transport Engineering (Rail)
- Land Transport Engineering (Vehicle)
- Mechanical Systems Engineering (Advanced Robotics Systems)
- Mechanical Systems Engineering (Operations & Maintenance)

You may refer to the list of course codes [here](#) for reference.

5. Note to full-time students in their final term of study:

- Only applicants who meet the minimum entry requirements may be considered based on merit.

6. Note to National Service (NS) liable males on NS Deferment:

- NS-liable males will be granted NS deferment for the pursuit of full-time studies at pre-university government-funded institutions including ITE if they attain a place and are pursuing a course for higher academic qualifications from what they have previously attained (e.g. from N/O Levels to Nitec/Higher Nitec, from Nitec to Higher Nitec or from Nitec/Higher Nitec to ITE Work-Study Diploma/Technical Engineer Diploma/Technical Diploma courses) and NS deferment will no longer be subject to cut-off ages. For latest updates on NS deferment eligibility and policy, you can visit <https://fox.edu.sg/ns-deferment>.

Students who are not eligible for NS deferment will need to withdraw from the course that they are enrolled in.

For more information on NS Disruption, please visit [NS Disruption](#) page.

7. Admission is based on successful employment offered by sponsoring company.

Please be reminded of the following:

- Update your personal email address & mobile number in the application form to receive the latest updates from ITE.
- Log in to Work-Study Diploma Connect (WSDC) at wstdip.ite.edu.sg using your Singpass and apply for job openings related to your chosen course(s). Note that companies may have additional hiring criteria beyond the basic programme requirements.

You are requested to declare all information truthfully. Any false declaration will render you liable to appropriate action, including withdrawal from the course offered.

To submit an application, login with your personal Singpass. You cannot use your parent's Singpass.

If you encounter Singpass issues, please visit the [Singpass website](#) for information on Singpass application and password reset. For further assistance, please refer to the [Singpass FAQ page](#), call the Singpass helpdesk at +65 6335 3533 or email support@singpass.gov.sg.

If you encounter other issues with your application, please call or email to any of the Customer & Visitor Centre of the ITE Colleges or call the ITE Customer Service Hotline at 1800 2222 111 for assistance.

To apply using Singpass, click on

Retrieve Myinfo with singpass

Step 2: Read the course requirements on the screen. Complete the colour vision self-check if it applies to your course, then select ‘NEXT’.

Important Notes

USER ID AND PASSWORD

You may use your User ID and Password to check the outcome of your application.

WHAT TO DO NEXT!

Login to WSDC to apply for job now!

To complete your application, you **MUST** log in to Work-Study Diploma Connect (WSDC) at wsdip.ite.edu.sg using your Singpass and apply for job openings related to your chosen course(s). Note that companies may have additional hiring criteria beyond the basic programme requirements.

If you need help to prepare for your resume and interview, book a session with our Education & Career Coaches here: <https://for.edu.sg/ecg-for-wsdip-applicant>
You will be contacted by sponsoring companies if you are shortlisted for an interview via email or phone. Please check your email regularly, including your spam/junk folder, and ensure that you are contactable at the phone number provided in your application.

IMPORTANT NOTES

WSDip programme places are limited. Your application is NOT complete until you apply for jobs with your preferred companies through Work-Study Diploma Connect (WSDC) at wsdip.ite.edu.sg.

Companies may have additional requirements on top of the basic programme criteria. You must get hired by one of the participating companies to be enrolled in the Work-Study Diploma programme.

NOTE TO NATIONAL SERVICE (NS) LIABLE MALES ON NS DEFERMENT:
NS-liable males will be granted NS deferment for the pursuit of full-time studies at pre-university government-funded institutions including ITE if they attain a place and are pursuing a course for higher academic qualifications from what they have previously attained (e.g. from NIO Levels to Nitec/Higher Nitec, from Nitec to Higher Nitec or from Nitec/Higher Nitec to ITE Work-Study Diploma/Technical Engineer Diploma/Technical Diploma courses) and NS deferment will no longer be subject to cut-off ages. For latest updates on NS deferment eligibility and policy, you can visit <https://for.edu.sg/ns-deferment>.

Students who are not eligible for NS deferment will need to withdraw from the course that they are enrolled in.

For more information on NS Disruption, please visit <https://www.cmpb.gov.sg/before-ns/disruption-for-further-studies> page.
For more details, please call or email to any of the Customer & Visitor Centre of the ITE Colleges or call the ITE Customer Service Hotline at 1800 2222 111 for assistance.
