A New Chapter of Leadership at ITE

ITE will welcome Mr Peter Lam as its new CEO from 25 December 2025.

Mr Lam, currently Principal and CEO of Temasek Polytechnic (TP), brings extensive experience in education leadership and innovation. At TP, he led a comprehensive review of diploma programmes, strengthened industry partnerships, expanded applied research and consultancy initiatives, and embedded sustainability and artificial intelligence across the curriculum.

“I found the course really useful in preparing me for my hawker journey. Even though I have experience working in a commercial kitchen, I am reminded that **running a food business** goes far **beyond cooking**. It is about managing the accounts, getting the pricing right, designing a stall that stands out, and choosing a good location to let my craft truly shine.”

Ray Chen

Owner of Kine gourmet burger stall located at ABC Brickworks Food Centre

Participant in ITE's 'Introduction to Managing a Hawker Business'
Certificate of Competency (CoC) Course
