

**FULL-TIME 3-YEAR *HIGHER NITEC* / 2-YEAR *NITEC* COURSES  
AND ENTRY REQUIREMENTS FOR JIE ‘N’**

From Academic Year 2022, ITE offers a new curricular structure in selected courses that allows students to directly graduate with a *Higher Nitec* qualification after three years of training, instead of four years. The 3-year *Higher Nitec* courses are open to students with GCE 'N' Level and GCE 'O' Level qualifications.

Under JIE ‘N’, applicants may choose up to a maximum of 12 choices, which can include 3-year *Higher Nitec* courses together with 2-year *Nitec* courses in the same application. Each choice will comprise the course and College, e.g. *Nitec* in Mechanical Technology course conducted at ITE College East and *Nitec* in Mechanical Technology course conducted at ITE College West are taken as 2 choices. *Higher Nitec* in Accounting (3 years) course conducted at ITE College Central and *Nitec* in Aerospace Technology course conducted at ITE College Central are also taken as 2 choices.

The “2024 JIE ‘N’ ITE Aggregate Score” in the table below shows the ITE aggregate score of the lowest ranked students who were admitted to these courses through the 2024 JIE ‘N’, based on **best 4 GCE ‘N’ subjects including pre-requisites and bonus points**. These aggregate scores are meant as a reference for applicants applying to these courses and **do not** constitute the admission points for subsequent admission exercises.

**ITE COLLEGES:**

CC-AM: ITE College Central

CE-SM: ITE College East

CW-CK: ITE College West

For general course advising, applicants may make an appointment online with one of our Education & Career Guidance (ECG) Counsellors via <https://for.edu.sg/ecg>.

The offer of an ITE course to applicants is subject to them being physically, medically and mentally fit to pursue the course. This is to ensure that all students can benefit from ITE training in a safe and conducive environment. Applicants or students assessed by ITE as being unfit can be withdrawn from the course. Where appropriate, they may be considered for other courses if there are suitable ones. The Learning Accessibility Office (LAO) at each ITE College will provide support to students with special educational needs in their learning process at ITE. Applicants with special educational needs are strongly encouraged to seek prior academic course advising from the respective College(s) via <https://for.edu.sg/LAO> before selecting their choice of application.

## Notes:

- ① Applicants who are applying for the following courses: **Aerospace Avionics; Aerospace Technology and Nursing** that are offered under Aptitude-Based Admissions are strongly encouraged to seek course counselling at the Colleges offering these courses during the application period so as to understand the course requirements. Applicants must first meet the ITE aggregate point for these courses to be shortlisted. Shortlisted applicants will be required to attend **one interview** to assess their suitability for the course. Shortlisted applicants who are not successful at course interview will be considered for their **remaining choices without interview** based on merit and choice. Priority in selection will be given to **first-choice applicants** based on their results for these courses. **Applicants applying for these courses are advised to indicate them as their first choice.** For all other courses, selection will be by merit and choice based on the results of applicants. ## POSTING OF APPLICANTS UNDER JIE ‘N’

Different categories of 3-year *Higher Nitec* and 2-year *Nitec* courses under JIE ‘N’ come with different entry requirements ranging from completed GCE ‘N’ Level to 3 GCE ‘N’ Level passes. GCE ‘N’ Level holders applying for admission to full-time 3-year *Higher Nitec* and 2-year *Nitec* courses must first satisfy the entry requirements including passes in the pre-requisite subjects for the courses applied. Admission is merit-based, and posting to a course is based on **aggregate of best 4 GCE ‘N’ Level subjects, including pre-requisite subjects and bonus points** where applicable and is subjected to availability of vacancies. A lower aggregate point is indicative of better performance. Selected courses will require applicants to attend interview/aptitude test.

The computation of ITE aggregate points for Normal (Technical), Normal (Academic) and GCE ‘O’ Level subject grades for merit-based ranking for admission to full-time 3-year *Higher Nitec* and 2-year *Nitec* courses, is shown in the tables below:

### **Computation of ITE Aggregate Points for Normal (Technical) Subjects**

Normal (Technical) Grade	ITE Aggregate Points
A	1
B	2
C	3
D	4
E / U	5

### **Computation of ITE Aggregate Points for Normal (Academic) Subjects**

Normal (Academic) Grade	ITE Aggregate Points
1, 2, 3	1
4	2
5	3
6 / U	4

### **Computation of ITE Aggregate Points for GCE ‘O’ Level Subjects**

GCE ‘O’ Level Grade	ITE Aggregate Points
A1 – D7	1
E8	2
F9	3

The Normal (Technical) Grade E/U, Normal (Academic) Grade 6/U and GCE ‘O’ Level Grade F9 will not be allowed to be used for fulfilment of subject-specific minimum entry requirements. However, these grades will be allowed to be used for aggregate computation for admission to full-time 3-year *Higher Nitec* and 2-year *Nitec* courses.

### **CCA Bonus Points**

The table below provides details for the computation of bonus points available. Please note that these bonus points are not taken into account when considering whether applicants are eligible for courses. The bonus points will only come into effect when the applicant has been deemed eligible and is being considered for posting based on merit.

Types of Bonus Points	Number of Bonus Points Awarded
For applicants with the following CCA grades:	
a) Excellent or Grades of A1 - A2	2 points
b) Good or Grades of B3 - C6	1 point
