WI-FI ID and Password for Full-Time ITE Students

. The purpose of ITE's Internet is to advance and promote information access and exchange to further enhance education in Singapore. It will act as an additional channel for all users to communicate ideas, share experiences, collaborate in projects and tap information sources, locally as well as internationally, for the fulfillment of educational objectives in the information age.

ITE's Internet Acceptable Usage Policy applies for the ITE Student Wi-Fi usage.

Steps to find out your ITE student Wi-Fi ID and password

1. Log into the ITE Student Portal at http://myITE.ite.edu.sg

2. Click on the "myEmail" icon.

3. Your ITE student Wi-Fi ID and password will be shown:

myEmail
