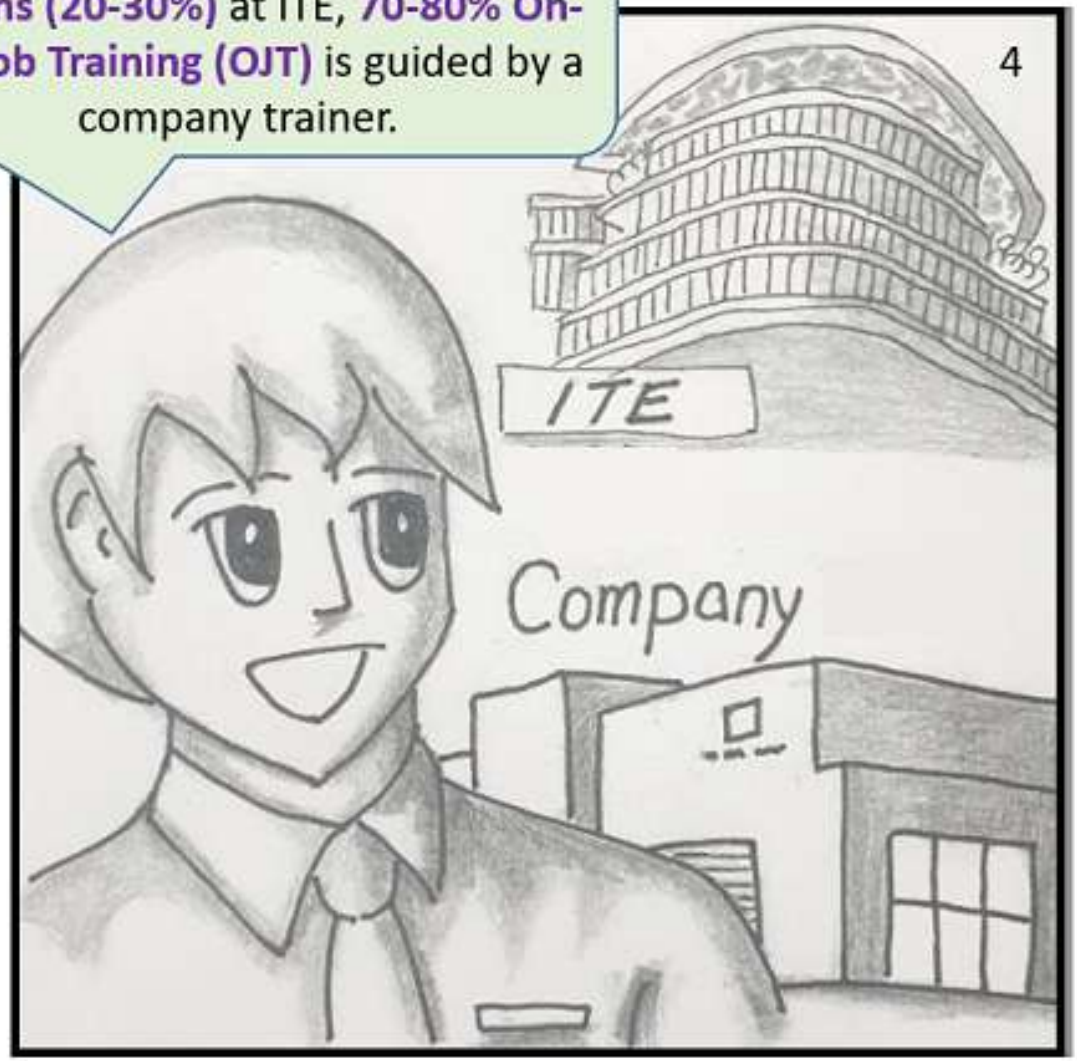
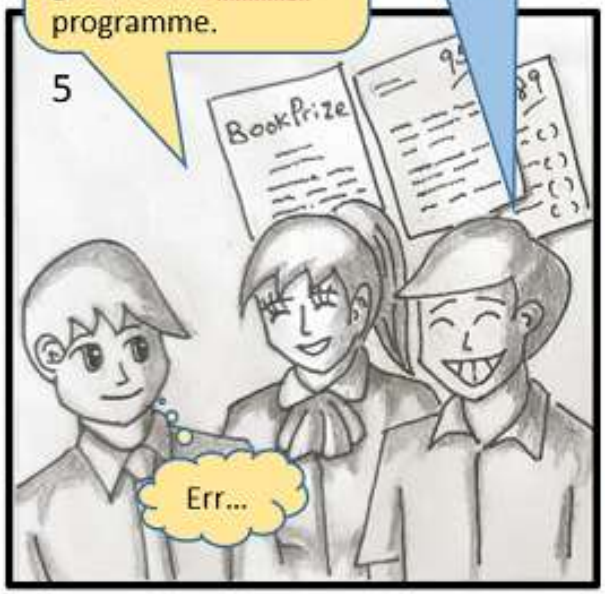
We attend **theory and practical lessons (20-30%)** at ITE, **70-80% On-the-Job Training (OJT)** is guided by a company trainer.



1. Who can join WSDip?
2. What do I need to prepare for the application?

I did well in my overall studies which I'm certain that I will get into the WSDip programme.



Entry requirements are as follows:

Can I join WSDip if I'm not hired by a participating company?

No, you can't.
For OJT purposes, you must be employed Full-Time by a participating company to be enrolled into the WSDip.

Resignation
Can I resign from the company and continue the WSDip as long as I pay my course fees?

10
No, you can't!
You have **signed the WSDip Agreement** and need to receive OJT from a participating company.
Without employment & sponsorship, you will not be able to complete the course.

AND will need to:

By the way, I usually go overseas during school vacation. Can I go on leave during this period?

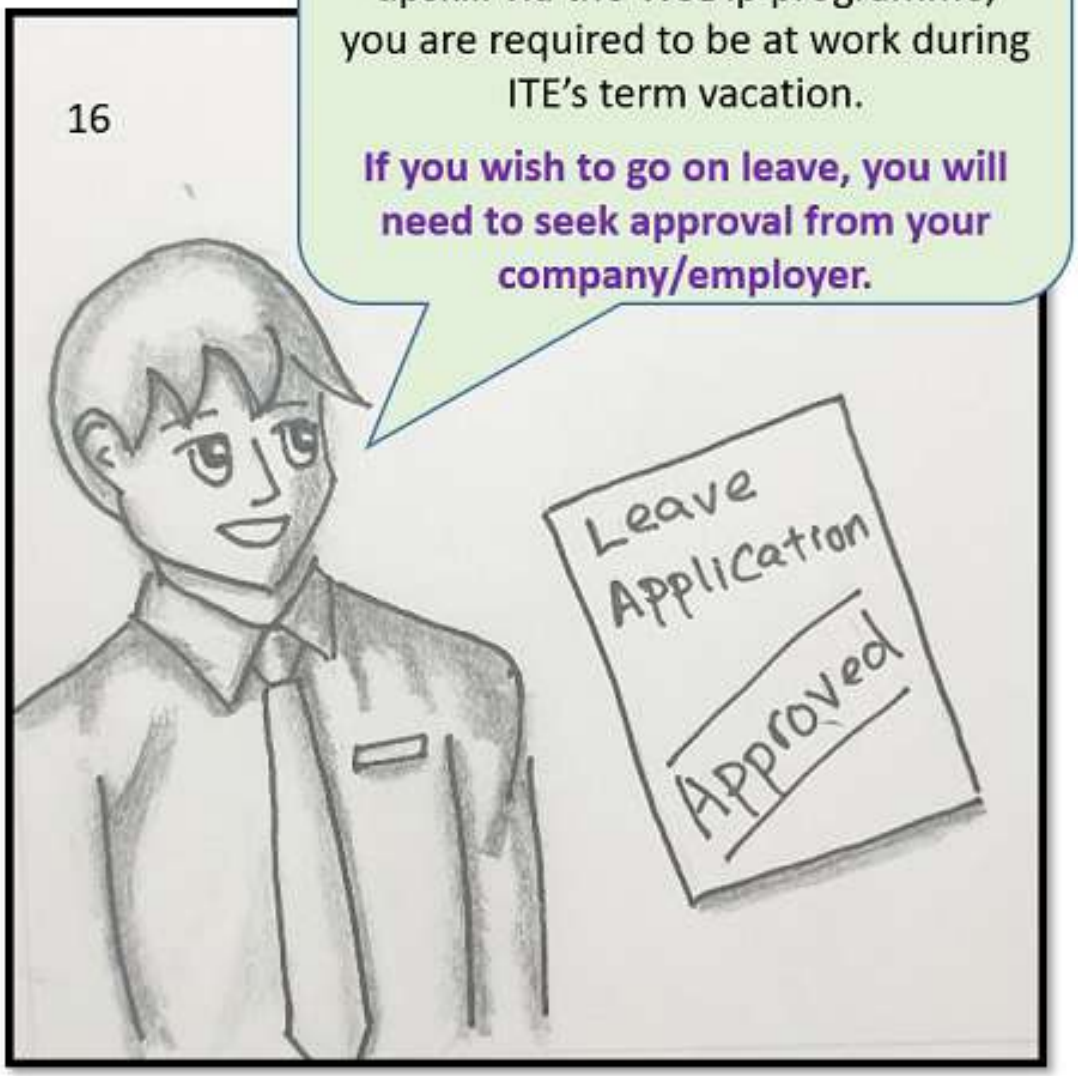
As a **full-time employee** sponsored to upskill via the WSDip programme, you are required to be at work during ITE's term vacation.


If you wish to go on leave, you will need to seek approval from your company/employer.
