5) Follow the step show in picture with Red

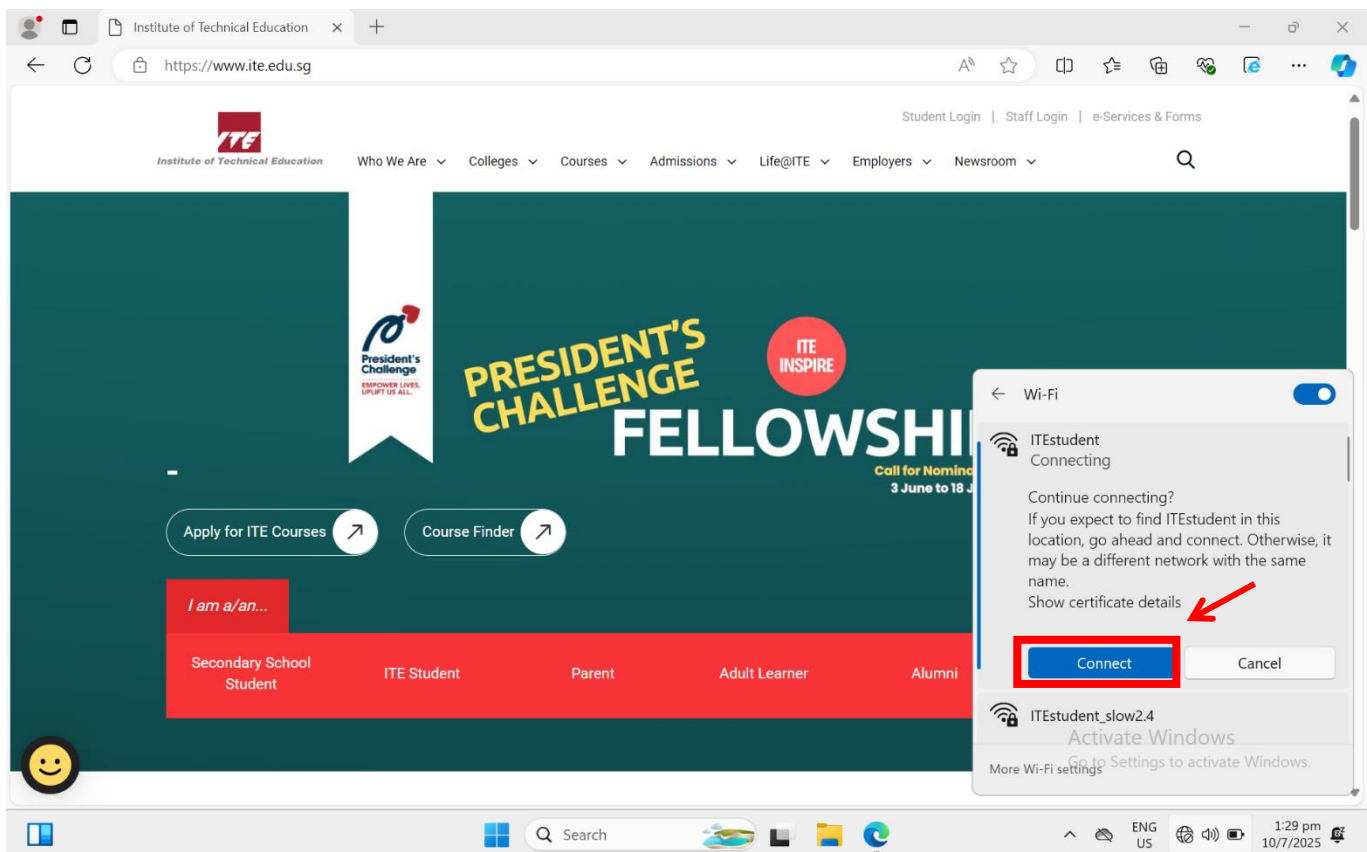

6) Click "Connect".

7) Key in the “Student Username and Password” & click “OK”

8) Click “Connect”

9) Ready to access ITESudent Wi-Fi

The screenshot shows a web browser window displaying the Institute of Technical Education (ITE) website. The browser's address bar shows the URL <https://www.ite.edu.sg>. The website header includes the ITE logo, navigation links (Who We Are, Colleges, Courses, Admissions, Life@ITE, Employers, Newsroom), and login options (Student Login, Staff Login, e-Services & Forms). The main banner features the 'PRESIDENT'S CHALLENGE FELLOWSHIP' with the ITE INSPIRE logo and a 'Call for Nominations' deadline of 3 June to 18 June. Below the banner are buttons for 'Apply for ITE Courses' and 'Course Finder'. A red section titled 'I am a/an...' lists user roles: Secondary School Student, ITE Student, Parent, Adult Learner, and Alumni. A Wi-Fi menu is open on the right side of the screen, showing a list of available networks. The first network, 'ITESudent', is selected and shows a 'Connected, secured' status with a 'Disconnect' button. Other visible networks include 'ITESudent_slow2.4', 'ITElab', and 'cetsf'. The Windows taskbar at the bottom shows the search bar, system tray icons for language (ENG US), network, and volume, and the date/time (1:29 pm, 10/7/2025).
