ITE COLLEGES:

CC-AM: ITE College Central   CE-SM: ITE College East   CW-CK: ITE College West

For general course advising, applicants may make an appointment online with one of our Education & Career Guidance (ECG) Counsellors via https://for.edu.sg/ecg.

The offer of an ITE course to applicants is subject to them being physically, medically and mentally fit to pursue the course. This is to ensure that all students can benefit from ITE training in a safe and conducive environment. Applicants or students assessed by ITE as being unfit can be withdrawn from the course. Where appropriate, they may be considered for other courses if there are suitable ones. The Learning Accessibility Office (LAO) at each ITE College will provide support to students with special educational needs in their learning process at ITE. Applicants with special educational needs are strongly encouraged to seek prior academic course advising from the respective College(s) via https://for.edu.sg/LAO before selecting their choice of application.

Notes:

①   For all courses:

    (I)   The 3-year *Higher Nitec* courses comprise 3 months of Industry Attachment in Year 2 and 6 months of Industry Attachment in Year 3.

    (II)   As all ITE courses will incorporate online learning as part of lesson delivery, students will be required to purchase a Laptop. This is in addition to the course fees. Financial assistance is available to eligible students under ITE Opportunity Fund to purchase PC/Laptop subject to terms and conditions.

② In line with industry requirements, applicants for the following courses must ensure that they are free from colour appreciation deficiency: **Advanced Manufacturing; Automotive Engineering; Communication Design; Electrical Engineering; Electronics Engineering; Facilities Management & Engineering; Interior & Product Design; Mechatronics Engineering; Rapid Transit Engineering; Security System Integration; Technical Theatre & Production; Vertical Transportation and Visual Merchandising.** Colour vision test will be conducted for applicants enrolled into these courses. Colour Vision Test is available online at https://for.edu.sg/cbt and at the ITE Colleges conducting these courses. Please take the test before submitting your application if you are not sure whether you are free from colour appreciation deficiency.
