

**About the Pioneer Generation Package**

1. The Pioneer Generation Package honours and thanks our Pioneers for their hard work and dedication. This special cohort has made Singapore what it is today. Singaporean seniors who meet the following conditions are eligible for the Pioneer Generation Package:
  - a. Born on or earlier than 31 December 1949 (i.e. 77 years old and above in 2026); and
  - b. Became a Singapore citizen on or before 31 December 1986.
2. The Pioneer Generation Package comprises the following lifetime benefits:
  - a. Annual MediSave top-ups of \$300 to \$1,200 (previously \$250 to \$900 between 2021 and 2024, and \$200 to \$800 before 2021). The amount is based on the birth year. Pioneers born earlier receive higher top-ups as they typically have accumulated less savings.
  - b. Special subsidies for outpatient care:
    - i. Additional 50% off the remaining bill for subsidised services and medications at polyclinics and public Specialist Outpatient Clinics; and
    - ii. Special subsidies at General Practitioner (GP) and dental clinics under the Community Health Assist Scheme (CHAS).
  - c. Cash assistance of up to \$1,200 a year for those with moderate to severe disability under the Pioneer Generation Disability Assistance Scheme (PGDAS).
  - d. Special premium subsidies of 40% to 60% for MediShield Life premiums, depending on age.
