¹ Operating Revenue refers to Government receipts credited to the Consolidated Revenue Account and Development Fund Account, excluding Investment and Interest Income, and Capital Receipts (lumpy and less regular in timing). The main components are Tax Revenue and Fees and Charges.

² A non-resident is liable to pay income tax on Singapore-sourced income. Under the law, when payment of a specified nature (e.g. royalty, interest, etc.) is made to a non-resident company or individual, the payer must withhold a percentage of that payment and pay the amount withheld to IRAS. The amount withheld is the Withholding Tax.

³ Asset Taxes refer to Property Tax and Estate Duty. Property Tax is a tax on the ownership of property and is payable by all property owners on the properties owned by them. Estate Duty is a tax on the total market value of a person's assets (cash and non-cash) at the date of his or her death. Estate Duty does not apply to a person who dies on or after 15 February 2008, although there are still some collections from the estates of people who had passed away earlier.

⁴ Motor Vehicle Taxes comprise additional registration fees, road tax, special tax on heavy-oil engines, passenger vehicle seating fees and non-motor vehicle licences, but exclude excise duties on motor vehicles which are classified under Customs, Excise and Carbon Taxes.

⁵ Fees and Charges (Excluding Vehicle Quota Premiums) include licenses, permits, services rendered, goods supplied and rental. Prior to FY2026, it also included collections from fines and penalties and reimbursements.

⁶ Others include miscellaneous operating revenue. From FY2026 onwards, this also includes fines and penalties, and reimbursements.

⁷ Year-on-year comparison for Fees and Charges (Excluding Vehicle Quota Premiums) and Others between periods prior to CY2026 Q2 and CY2026 Q2 onwards may not be meaningful due to changes in scope (see explanatory notes in the Revenue and Expenditure Estimates for the Financial Year 2026/2027 published by the Ministry of Finance). Figures may not add up due to rounding.
