

**ANNEX A - PRODUCT QUESTIONNAIRE**  
**A-3 BIOLOGICAL PRODUCT**  
*(Based on SGC0 2025)*

**SECTION A BASIC PRODUCT INFORMATION**

- (1) Name of the Manufacturer:
- (2) Brand:
- (3) Model No. / Part No.:

**SECTION B DETAILS OF THE BIOLOGICAL PRODUCT**

- (4) Please provide details (binomial nomenclature / scientific name) of the biological product.
- (5) What is the classification of the biological product?
- (a) Human pathogen
- Virus
  - Bacteria
  - Fungi
- (b) Animal pathogen
- Virus
  - Bacteria
  - Fungi
- (c) Plant pathogen
- Virus
  - Bacteria
  - Fungi
- (d) Others
- Toxins
  - Infectious/ pathogenic organisms
  - Genetic elements and genetically modified organisms belonging to (a), (b) or (c)
  - Others (*please specify*):

(6) Is the primary use of the biological product any of the following?

- |  |                              |                             |
|--|------------------------------|-----------------------------|
| (a) For production of biological weapons | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| (b) For research purposes                | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| (c) For analytical purposes              | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| (d) For academic purposes                | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| (e) For vector control purposes          | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| (f) Others ( <i>please specify</i> ):    |                              |                             |

(7) Please state if there is any other application(s) of the biological product:
