Circular No: 14/2026
1 October 2026

Traders and Declaring Agents

Dear Sir/Madam

CHANGES TO THE STRATEGIC GOODS CONTROL LEGISLATIONS

Updates to the Strategic Goods Control List

Singapore Customs would like to inform that the new **Strategic Goods (Control) Order 2026** ("SGCO 2026") has been gazetted on 1 October 2026 and will come into effect on **1 December 2026**. You may access the SGCO 2026 via our website at www.customs.gov.sg > Permits and Licenses > Trade Controls and Prohibitions > Strategic Goods Control > Strategic Goods Control List > Strategic Goods Control List Overview.

2 SGCO 2025 will be revoked and replaced with SGCO 2026. The SGCO 2026 brings Singapore's strategic goods control list up to date with the controls of the four major Multilateral Export Control Regimes (the Australia Group, the Missile Technology Control Regime, the Nuclear Suppliers Group and the Wassenaar Arrangement). The military goods list ("ML list") will reflect those of the 2025 Wassenaar Arrangement's Munition List ("WAML"), while the list of dual-use items ("DL list") will reflect the controls of the four multilateral export control regimes.

3 The SGCO 2026 will incorporate revisions as well as editorial amendments for greater consistency and clarity. A document on the amendments will be published on our website at www.customs.gov.sg > Permits & Licences > Trade Controls and Prohibitions > Strategic Goods Control > Resources and Useful Links.

Amendments to the Strategic Goods (Control) Regulations and Strategic Goods (Control) (Brokering) Order 2019

4 Amendments are made to the Strategic Goods (Control) Regulations ("SGCR") and the Strategic Goods (Control) (Brokering) Order 2019 ("SGCBO") to update respective references to the new SGCO 2026. There are **no** changes to the scope of the SGCR and SGCBO.
