

Join us at Singapore Customs

We invest in your growth, support one another, and take pride in shaping Singapore's future-ready, trusted trade system

Be the Backbone of Singapore's Trusted Trade System

We protect revenue and facilitate trade for a thriving Singapore economy.

Every day, Singapore Customs' officers help keep Singapore's economy moving – safeguarding revenue, enabling legitimate trade and protecting the integrity of our trading system.

Be proud of supporting Singapore's trade and making a real impact!

Safeguarding Singapore's reputation as a global trade hub by upholding the rules of trade.

Regulator

Making customs procedures simple and safe for traders and building connectivity to major trading partners.

Facilitator

Protecting Singapore's revenue and safeguard the nation's financial interests. Detecting and enforcing against any evasion of due customs & excise duties, import taxes and GST from traders and travellers.
