Circular No: 08/2026

18 May 2026

Traders and Declaring Agents

Dear Sir/Madam

### **NEW LOCATION CODE “ELH” FOR SINGPOST REGIONAL ECOMMERCE LOGISTICS HUB**

With effect from 1 Jun 2026, SingPost’s inbound postal operations at Singapore Post Centre will cease and operations will be consolidated at the Airmail Transit Centre (“ATC”) located within the Changi Airfreight Centre Free Trade Zone. As such, all inbound postal articles via air/land/sea will be cleared at ATC. In the event of a contingency, the SingPost Regional eCommerce Logistics Hub (“ELH”) will serve as an alternative facility to ATC.

2 All importation of postal articles containing controlled goods via ATC (and ELH during contingencies) is to be covered by the relevant Customs import permit. The Customs import permit is required for clearance by ICA officers before the goods can be released for delivery.

3 When submitting your TradeNet permit application for the importation of postal articles via ATC or ELH, please declare the following Location Code and Location Name accordingly:

#### **Main Facility**

Location Code: ATC

Location Name: Airmail Transit Centre

#### **Alternative Facility**

Location Code: ELH

Location Name: SingPost Regional eCommerce Logistics Hub

4 If you are a TradeNet user, please ensure that your TradeNet Front-end solution is updated with the above new Location Code and Name for ELH.

5 Given that operations will cease at Singapore Post Centre from 1 Jun 2026, the below Location Code and Location Name will no longer be valid and should not be declared in permit applications for the importation of postal articles with effect from 1 Jun 2026:

Location Code: MPC

Location Name: Mails & Parcel Centre

Yours faithfully
