ABOUT THE EXHIBITION

The DrugFreeSG Community Outreach Exhibition Panels support preventive drug education and engagement in schools, workplaces and community spaces. Designed for self-guided viewing and flexible deployment, they provide an interactive experience for all age groups, guiding visitors from awareness to action. The panels explain Singapore's drug situation, the harms of drug abuse, common drug-related myths and influences, and how individuals can contribute to a drug-free Singapore.

OVERVIEW OF PANEL CONTENT AND INTERACTIVE ELEMENTS

Panel Face	Interactive Element	Panel Title	Panel Content Description
1F	Pull-open flaps	Singapore's Fight Against Drugs Over the Years	Traces Singapore's fight against drugs over the years, from past drug threats to emerging concerns today.
1B	None	The Fight Against Drugs Continues	Explains why Singapore must continue to stay vigilant, especially as drug abuse can start young and permissive attitudes may exist.
2F	Acrylic dome display with mock drugs	Commonly Abused Drugs in Singapore	Introduces commonly abused drugs in Singapore, including their appearance and effects on the body.
2B	None	How Drugs Harm Our Body	Shows how drug abuse can seriously affect different parts of the body.
3F	Swivel Mechanism	What They Say vs What Is Real	Addresses common misconceptions about drugs and contrasts them with the facts.
3B	None	How Influences Shape and Control Your Decisions	Highlights how social settings, online content, and public figures can influence attitudes and decisions towards drugs.
4F	None	How Drug Abuse Harms the Community	Explains how drug abuse not only affects the abuser, but also places costs and risks on families, public safety, healthcare, and society.
4B	Books featuring victim stories	Drugs Harm More People Than You Think	Real victim stories to show the wider impact of drug abuse on loved ones.

Panel Face	Interactive Element	Panel Title	Panel Content Description
5F	None	Protect Yourself and Be a Peer-Protector!	Encourages viewers to protect themselves and others by staying informed, recognising warning signs, and seeking help early.
5B	None	The Importance of a DrugFreeSG	Reinforces the importance of a DrugFreeSG and the collective role everyone plays in keeping Singapore drug-free.
6F (Optional)	None	Singapore's Approach	Explains Singapore's approach to drug control, including prevention, enforcement, public safety, and common offences under the Misuse of Drugs Act 1973.
6B (Optional)	None	The Dangers of Drug Liberalisation	Highlights the risks and wider consequences seen in countries that have legalised or relaxed controls on drugs.
7F (Optional)	Pull-out drawers containing sensitive case files	The Collateral Damage of Drugs	Inclusion of sensitive case files to show the deadly consequences and collateral damage caused by drug abuse.
7B (Optional)	TV screen (Subject to CNB's approval)	Together for a DrugFreeSG	Features past DrugFreeSG campaign videos, with separate calls to action to follow CNB's socials and sign up as DrugFreeSG Advocates.
7B (Optional)	Without TV screen (Subject to CNB's approval)	Together for a DrugFreeSG	Featuring Drug Victims Remembrance Day and Singaporeans Against Drugs, with calls to action to find out more about our DrugFreeSG initiatives.

DEPLOYMENT PACKAGE OPTIONS

Package Name	What It Includes	Things To Note
Core Package	5 panels	Minimum space required: 4m (L) × 3m (D)
Expanded Package	Core 5 Panels + 2 optional panels	Does not include TV Screen
AV Package	Core 5 Panels + 2 optional panels + TV screen	Access to a power outlet must be available

SPECIFICATIONS AND DEPLOYMENT REQUIREMENTS

Minimum Space Required	A minimum space of 4m (L) × 3m (D) is required for the Core Package to allow for comfortable circulation and viewing.
Recommended Viewing Mode	The exhibition is designed for self-guided viewing. Where possible, DrugFreeSG Champions or staff are encouraged to facilitate the exhibition to enhance visitor engagement.
Indoor/Outdoor Suitability	The panels are suitable for both indoor and outdoor deployments. Note that the AV package is available for indoor deployments only.
Deployment Duration	The minimum deployment period is 3 days. CNB will assess requests for other durations on a case-by-case basis.
Booking Lead Time	Requests must be submitted at least 2 weeks before the requested set-up date.
Set-Up And Tear-Down	Upon approval of request, the appointed vendor (Grid) will coordinate a site recce, set-up, and tear-down. A host contact person must be present during set-up and tear-down to provide access, confirm placement, and acknowledge the delivery order. Panels should not be moved after set-up unless coordinated with CNB or Grid.
Power Source	A power source is required for the AV package.

DRUGFREESG COMMUNITY OUTREACH EXHIBITION PANELS BOOKING REQUEST FORM

To request for the panels, please fill up the DrugFreeSG Community Outreach Exhibition Panels Booking Request Form by scanning the QR Code or clicking the link below:

https://go.gov.sg/dfsg-community-outreach-exhibition-panels-booking-request-form

Note: **All deployment requests must be submitted through FormSG.** Email enquiries may be sent to CNB for clarification, but requests will only be assessed and processed upon receipt of a complete FormSG submission.

If you have any questions regarding the form or about the panels, you may contact us at CNB_Community_Partnership@cnb.gov.sg.

POST-ACTIVATION REPORT

You are required to submit a Post-Activation Report **within 2 weeks after the activation**. You may do so by scanning the QR Code or clicking the link below.

https://go.gov.sg/dfsgexhibitionpanels-post-activation-report

FREQUENTLY ASKED QUESTIONS

Q: When should requests be submitted?

A: Requests should be submitted as early as possible, preferably at least 2 weeks before the requested set-up date. CNB will assess requests for other durations on a case-by-case basis.

Q: Can I request for the panels by email?

A: All deployment requests must be submitted through the DrugFreeSG Community Outreach Exhibition Panels Booking Request Form on FormSG. If you write in by email, CNB will direct you to complete the form before the request can be assessed. This is to ensure that all required deployment details are captured for proper assessment and coordination.

Q: Can the panels be viewed without a facilitator?

A: Yes. The panels are designed for self-guided viewing. Schools or organisations may also get their DrugFreeSG Champions (if any), students or staff to internalise the content and guide the visitors to make the session more interactive and engaging.

Q: How long can the panels be deployed for?

A: The minimum deployment period is 3 days. CNB will assess requests for other durations on a case-by-case basis.

Q: How should the panels be arranged?

A: Upon confirmation of your request, the appointed vendor (Grid) will contact you to arrange for a site recce to work out the layout that balances visitor flow, sightlines, engagement and safety.

Q: What are the available options for the panels?

A: There are three available options:

1) Core Package: 5 panels, with a minimum space requirement of 4m (L) × 3m (D).

2) Expanded Package: Core 5 Panels, with 2 optional panels. This does not include the TV screen.

3) AV Package: Core 5 Panels, with 2 optional panels and TV screen. This is subject to CNB's approval. CNB will assess each request on its own merits.

Q: Are Panels 6 and 7 suitable for all audiences?

Panels 6 and 7 are optional panels designed for older audiences. They contain more advanced content, including sensitive case files and gory images depicting the consequences of drug abuse, as well as more policy-heavy content on Singapore's drug control approach.

Q: Is a power source required?

A: A power source is required for the AV Package. Please ensure the availability of power points at the deployment venue before requesting the AV Package.

Q: Who is responsible for set-up and tear-down?

A: The appointed vendor (Grid) will manage the set-up and tear-down. Please ensure a contact person is present to provide access, confirm the placement, and acknowledge the delivery order.

Q: Can I move the panels after set-up?

A: No. You should not move the panels on your own to prevent damage, injuries, or disruption to the approved layout. Please contact the appointed vendor (Grid) if you need to change the layout.

Q: Will DrugFreeSG Enamel Pins be provided?

A: The provision of DrugFreeSG Enamel Pins is subject to CNB's discretion and availability. You may indicate your interest for the pins in the Booking Request Form.
