

Navigating the new Bizfile: Manage winding up

The “Manage winding up” eService allows you to submit the proceedings following the commencement of the winding up process. These include:

- File Notice of appointment/cessation of provisional liquidator/liquidator
- File liquidator’s account of receipts and payments, and statement of position in winding up

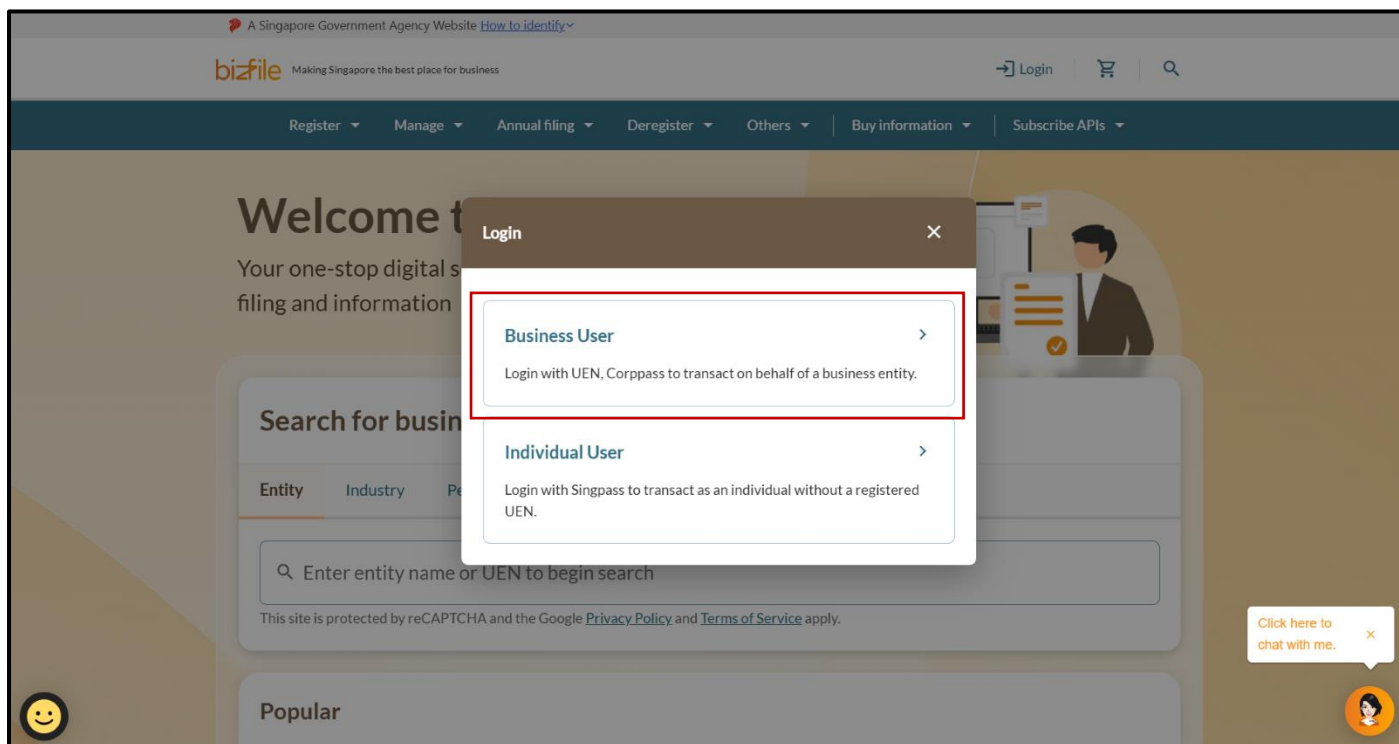

The Notice of Appointment acts as the formal announcement of the appointment of a provisional liquidator or liquidator, whereas the Notice of Cessation signifies the conclusion of the role of the provisional liquidator or liquidator in overseeing the liquidation process.

Essential documents, including the liquidator’s account of receipts and payment and statement of position, must be submitted to ACRA. These filings ensure compliance with statutory requirements and help maintain transparency and accountability throughout the winding up process.

Important: For all filings, the start date must be earlier than the end date, and you cannot submit the filing before the end date of the account period. The system will prevent you from entering invalid date combinations.

For pre-IRDA filings*

- The initial "Date from" will automatically show the liquidator's earliest appointment date, which you can edit. For subsequent filings, it will show the day after your previous filing's end date and cannot be edited.
- The "Date to" is automatically set to six months after the start date and is typically not editable, except when a liquidator has ceased within the current account period. The filing period cannot exceed six months, and you must submit after the end date.

For post-IRDA filings*

- The initial "Date from" will automatically show the liquidator's earliest appointment date and is editable. For subsequent filings, it shows the day after your previous filing's end date and cannot be edited.
- The "Date to" is automatically set to twelve months after the start date and remains editable. The filing period cannot exceed twelve months, and you must submit after the end date.

* - The Insolvency, Restructuring and Dissolution Act (IRDA) was implemented on 30 July 2020.

Step 5: For pre-IRDA filings, upload the accounts and statement documents. Click “**Review and confirm**” to proceed.

This screenshot shows the 'Attach accounts and statement' interface. At the top, there is a 'Date to' field set to '28 Aug 2020'. The main area is titled 'Attach accounts and statement' and contains a large grey box with a thumbs-up icon. Inside this box, the text reads: 'You have reached the maximum upload limit of 1 file(s)', 'Supported formats: PDF', 'Maximum file size: 3MB per file', and 'Embedded images and files will not be scanned for personal information. Consider masking any sensitive personal information before uploading, as it could be part of records accessible to the public.' Below this, a file named 'Accounts and Statements.pdf' is listed as 'Uploaded - 2.2 KB'. At the bottom, there are three buttons: 'Back', 'Save draft', and 'Review and confirm' (which is highlighted with a red box). A user profile icon and an upward arrow icon are visible on the right side.

Step 6: For post-IRDA filings, enter the date of filing the accounts and statement to the Official Receiver. Click "**Review and confirm**" to proceed.

This screenshot shows the 'Account of receipts and payments' form. It includes a section 'The account filed is the final account' with radio buttons for 'Yes' and 'No' (selected). Below this is the 'Period covered by this account' section, which has 'Date from' (15 Apr 2025) and 'Date to' (01 May 2025) fields. A red box highlights the 'Date of filing the above accounts and statement with the Official Receiver' field, which is set to '10 May 2025'. At the bottom, there are three buttons: 'Back', 'Save draft', and 'Review and confirm' (which is highlighted with a red box).

Step 7: Review all information carefully. Check the declaration box and click **“Payment”**.
