

INTERIM STATEMENT

B777-300ER, PH-BVO

Runway Incursion at Changi Airport on 2 June 2025

In accordance with Annex 13 to the Convention on International Civil Aviation, this statement provides a progress update on the following investigation, as the Final Report has not been published by the anniversary of the occurrence.

The information provided herein is of an interim nature. New information may become available prior to the publication of the Final Report.

On 2 June 2025, a Boeing B777 aircraft crossed the runway holding point at Changi Airport when an arrival aircraft was approaching to land, resulting in a runway incursion.

The Transport Safety Investigation Bureau (TSIB) of Singapore is investigating the incident in accordance with the International Civil Aviation Organization's requirements and is seeking comments from stakeholders.

TSIB will publish its Final Report upon completion of the investigation.
