

More Options for Taxi & Private Hire Car Drivers as Singapore Prepares for the **Future of Mobility**

3 Ways Drivers Can Stay Ahead!

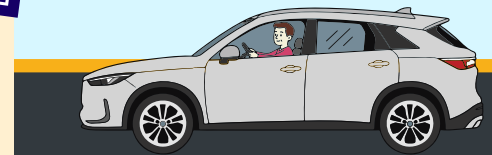

1

Career Conversion Programmes (CCPs)

Coming in Q3 2026

Reskill and upskill into growth roles with strong long-term prospects, with up to 90 per cent salary support.

- **NEW!** CCP for Autonomous Vehicle Specialists
- **NEW!** Pathways under CCP for Public Transport Professionals to be a Bus Captain
- Explore other available CCPs across sectors such as air transport, logistics and supply chain, tourism, advanced manufacturing and more.

2

New Training Incentive \$

To be piloted in January 2027

Receive \$20 per hour (up to 80 hours) when you attend any of about 2,000 curated Skills and Workforce Development Agency-supported short-form courses, to help offset vehicle rental and income foregone during training.

3

Enhanced Outreach and Career Guidance

Drivers can attend various career fairs and roadshows, and access go.gov.sg/av-transition-package for information and resources curated for them.
