Cost of Ageing Population

Ageing Population

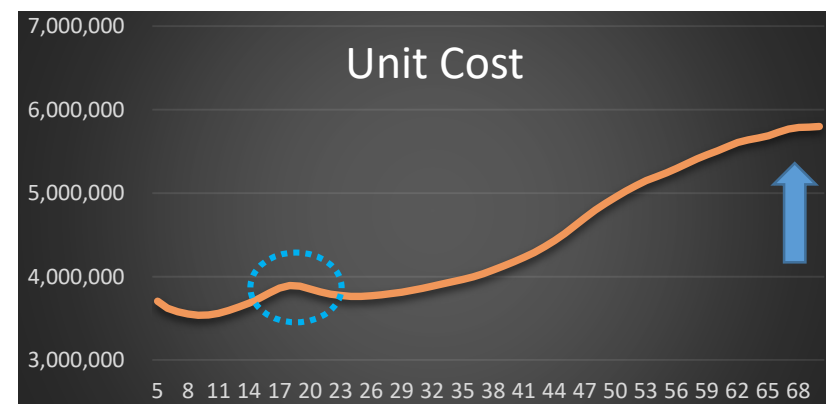

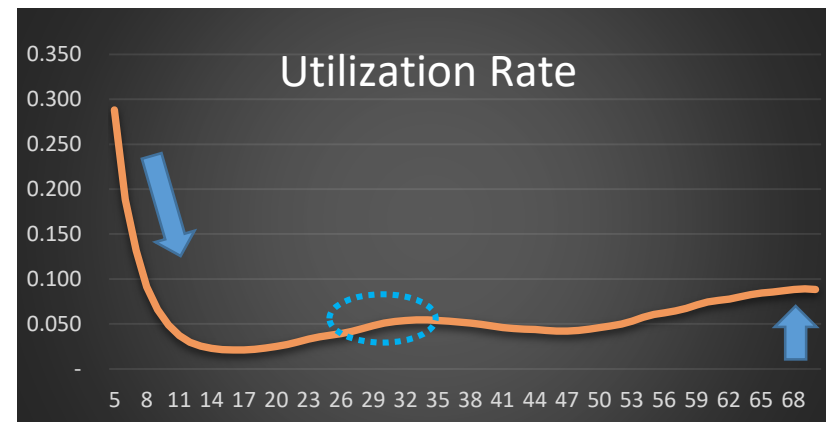

Increase life expectation will be increase medical cost

- Less 60 years old
- 60 – 65 years old
- 65 – 70 years old
- More 70 years old

Jakarta = 73,35 yo
Central Java = 71,55 yo
Bali = 70,78 yo

East Java = 69,86 yo
West Java = 68,4 yo
Banten = 65,4 yo

South Borneo = 64,17 yo
West Nusa Tenggara = 62,41 yo

Facing external condition :

1. Geographic
2. Education
3. Culture
4. Profession
5. Population
6. Climate Change

Ours Challenges :

1. Continuous Coverage
2. Capability-Building
3. Sustainability Programme
4. Service Network
5. Communication
6. Developing a Healthy Culture
