- (iv) the animals have been examined and found to be healthy and free from any clinical signs of infectious or contagious disease at the time of export.

V DECLARATION FROM MASTER/CAPTAIN OF SHIP/AIRCRAFT

Not required.

VI QUARANTINE

No quarantine is required. However, animals shall not be released following use at the laboratory facility and shall be disposed from the facility. Any suspected outbreak of disease shall be reported to the NParks/AVS immediately and the laboratory facility must have a plan to contain an animal disease outbreak.

VII APPLICATION FOR IMPORT LICENCE

The importer or his agent must apply for the import licence by submitting an online application through GoBusiness Licensing Portal (<https://www.gobusiness.gov.sg/licences>) prior to the arrival of animals. The application must be submitted together with a signed declaration by the importer stating that:

- (i) the animals will not be released following use at the laboratory facility and will be disposed from the facility;
- (ii) any suspected outbreak of disease will be reported to the NParks/AVS immediately and the laboratory facility has a plan to contain an animal disease outbreak.

VIII NOTIFICATION OF ARRIVAL

The importer or agent must make an appointment for the inspection by submitting an online booking request via <https://avs-eservices.nparks.gov.sg/eservices/>. Please ensure your NParks/AVS Import licence no. & flight details are ready and fill in the required information on your application. Inspections without any prior appointment will be charged \$133.00/hour or part thereof even if performed during office hours.

IX VETERINARY INSPECTION

On arrival at the port of disembarkation in Singapore, the animals and documents (Import Licence, Veterinary Health Certificate) shall be presented to and examined by an authorised Veterinary

Officer. If the consignment of animals is found to be healthy and documents are in order, the animals shall be released to the importer.

X PENALTY

All imports must comply fully with the conditions of the Import Licence and Veterinary Conditions, unless prior written approval has been obtained from NParks/AVS. Any consignment of animals or related products that do not meet the requirements may be detained, returned to the country of export or destroyed at the discretion of the Director-General, Animal Health and Welfare. In addition, the importer shall be guilty of an offence under the Animals and Birds Act Section 8(1) and shall be liable on conviction to a fine not exceeding \$10,000 or to imprisonment for a term not exceeding 12 months or to both.
