NATIONAL PARKS
LET'S MAKE SINGAPORE OUR CITY IN NATURE

REIMAGINING WEST COAST PARK

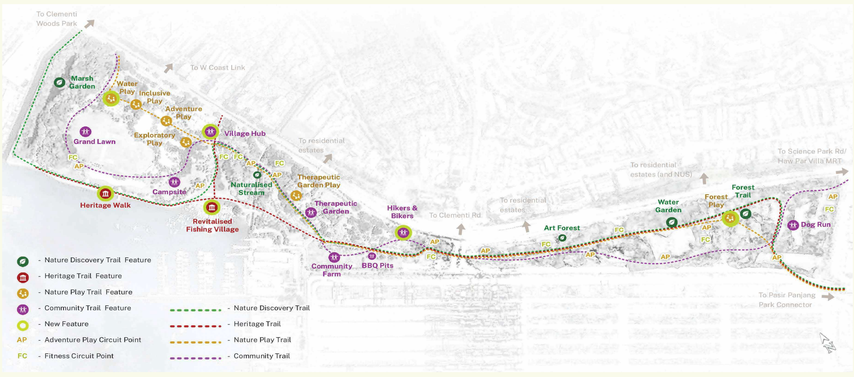
Defining West Coast Park as a Destination Park

The Linkage
Strengthen community bonds and promote healthy living, acting as a gateway to the Greater Southern Waterfront

Play Cove
The ultimate coastal play and recreational hub of the West, offering adventure and exploration for all

Vibrant Waterfront
Celebrating and revitalising West Coast Park's coastal identity

Potential trail features in West Coast Park



There will be four trails across West Coast Park, with a focus on nature play spots.
Each trail will come with its own set of unique landmarks and features.

Nature Discovery

Discovery Trails
Learning about our environment and biodiversity through nature discovery trails

Nature Play

Intergenerational Play
Fostering connection and shared experiences through play that bridges generations, encouraging fun and learning for all ages

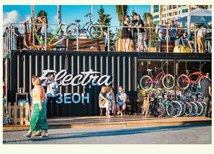
Coastal-themed Play
Offering opportunities for learning, exploration and sensory engagement through coastal-inspired play elements

Heritage

Heritage Walk
Preserving West Coast Park's heritage to raise awareness of its rich history

Community

Village Hub
Forming a bustling village hub that serves and attracts the community



Bike Hub
Providing a strategic spot for cyclists to gather at
