

Improving Commuting Experiences

Spreading Love and Care on Public Transport. Find out what's new!

LAUNCH OF THE CARING THEMED TRAIN

For this year's Valentine's Day, we launched our first ever Caring themed train – a meaningful milestone for the Caring SG Commuters movement!

To mark the occasion, we hosted an appreciation lunch and a guided tour of SMRT's Bishan Depot for our dedicated Caring Commuter Champions. It was a small gesture to recognise the valuable efforts and contributions you've made throughout 2025. Thank you for being the heart of this movement.

PREPARING OUR CARING COMMUTER CHAMPIONS FOR EMERGENCIES

Your commitment as Caring Commuter Champions can go beyond daily commutes. Some of you are already stepping up to keep our community safe.

Recently, our CCCs advanced their roles as Transport Ambassadors during Exercise Greyhound, where they received hands-on training in emergency response procedures. From guiding commuters during service disruptions to sharpening coordination capabilities, they showed incredible readiness.

In addition, we partnered with Singapore First Aid Training Centre (SFATC) to conduct two first aid workshops. Our Caring Commuter Champions learnt to recognise stroke symptoms, perform CPR, and operate Automated External Defibrillators (AEDs) – skills that can truly make a difference during emergency situations on their journeys.

JOIN US

Your passion and dedication are what make the Caring SG Commuters community so special. We're excited to share that more activities are in the works and we'd love for you to be part of them. Whether it's training sessions, community events, or new initiatives, your involvement makes all the difference.

Stay tuned for upcoming announcements, and as always, thank you for championing kindness, safety, and care on our public transport network.

Want to make a difference too or share your own story of care from your commute? We'd love to hear from you and feature your experiences.
