

Institution	Course Title
BCA Academy	Advanced Certificate in Construction Productivity
BCA Academy	Advanced Certificate in Workplace Safety and Health
BCA Academy	Application for Extension of Time - Factors for Success
BCA Academy	Application for Temporary Occupation Permit/Certificate of Statutory Completion
BCA Academy	Applying Data Analytics Approach to Workplace Safety and Health
BCA Academy	Bachelor of Civil Engineering (Honours) - UON, Australia
BCA Academy	Bachelor of Construction Management (Building) - UON, Australia
BCA Academy	Basic Concept in Construction Productivity Enhancement
BCA Academy	Behavioural Safety for the Construction Industry
BCA Academy	Best Practices for Green and Gracious Builder - Improving Performance and Site Practices
BCA Academy	BIM for Building Lifecycle and Facility Management
BCA Academy	BIM Quantity Take Off
BCA Academy	BIM Scheduling and Process Management
BCA Academy	Builder Certificate in Plumbing and Pipefitting
BCA Academy	Building Automation Concepts, Technologies and Practices for Green Building
BCA Academy	Building Control Regulations for Site Supervisors
BCA Academy	Building Performance Simulation
BCA Academy	Certificate in Gas Technology
BCA Academy	Certificate in Architectural BIM Submission
BCA Academy	Certificate in Architectural Detailing and Building Services
BCA Academy	Certificate in Basic Geotechnical Engineering
BCA Academy	Certificate in BIM Construction and Coordination
BCA Academy	Certificate in BIM Design and Coordination
BCA Academy	Certificate in Building Cost Management (Cost Control Management)
BCA Academy	Certificate in Building Cost Management (Project Management)
BCA Academy	Certificate in Computational BIM Applications (Building)
BCA Academy	Certificate in Computational BIM Applications (Infrastructure)
BCA Academy	Certificate in Computational Thinking and Programming
BCA Academy	Certificate in Concrete Technology
BCA Academy	Certificate in Construction Management (Architecture and Structure)
BCA Academy	Certificate in Construction Management (MEP System)
BCA Academy	Certificate in Contract Administration
BCA Academy	Certificate in Contract and Cost Management
BCA Academy	Certificate in DfMA Principles and Applications
BCA Academy	Certificate in Digital Delivery of Facilities Management
BCA Academy	Certificate in Digital Delivery of Modular MEP
BCA Academy	Certificate in Electrical and Telecommunication Systems
BCA Academy	Certificate in Electrical System and Energy Management
BCA Academy	Certificate in Façade Inspection
BCA Academy	Certificate in Interior Design (Hospitality and Retail)
BCA Academy	Certificate in Interior Design (Residential and Office)
BCA Academy	Certificate in Landscape Design
BCA Academy	Certificate in Levelling and Setting-Out
BCA Academy	Certificate in Management of Productive Technologies
BCA Academy	Certificate in Mechanical and Plumbing Systems
BCA Academy	Certificate in Mechanical System and Building Management
BCA Academy	Certificate in MEP Planning and Site Management
BCA Academy	Certificate in Pavement Construction and Maintenance
BCA Academy	Certificate in Precast Construction Supervision
BCA Academy	Certificate in Prefabricated MEP System Integration
BCA Academy	Certificate in Surveying and Levelling in Storm Water Drainage Works
BCA Academy	Certificate in Sustainable Architectural Design
BCA Academy	Certificate in Tunnelling Technique
BCA Academy	Certificate in Underground Excavation
BCA Academy	Certificate in Virtual Design and Construction Practices
BCA Academy	Certificate in Virtual Design and Construction Process Management
BCA Academy	Certificate in Workplace Safety and Health
BCA Academy	Certification Course for Green Mark Accredited Professional
BCA Academy	Certification Course for Green Mark Accredited Professional (Facilities Management)
BCA Academy	Certification Course for Green Mark Advanced Accredited Professional
BCA Academy	Certification Course for Green Mark Advanced Accredited Professional (Facilities Management)
BCA Academy	Certification Course for Site Investigation Supervisors
BCA Academy	Certification Course for Universal Design Assessors
BCA Academy	Certification Course in BIM for MEP Coordination
BCA Academy	Certification Course in BIM Management
BCA Academy	Certification Course in BIM Modelling (Architecture Track)
BCA Academy	Certification Course in BIM Modelling (MEP Track)
BCA Academy	Certification Course in BIM Modelling (Structure Track)
BCA Academy	Certification Course on Construction Law and Contracts
BCA Academy	Certified QM/CONQUAS Managers Course
BCA Academy	CET for CoreTrade Supervisor (Architectural)
BCA Academy	CET for CoreTrade Supervisor (Mechanical and Electrical)
BCA Academy	CET for CoreTrade Supervisor (Structural)
BCA Academy	Code of Practice on Buildability
BCA Academy	Computational BIM
BCA Academy	Computational Fluid Dynamics Modelling for Natural Ventilated Buildings
BCA Academy	Computational Fluid Dynamics Simulation Using Open Source Software
BCA Academy	CONQUAS Training for Builders (English)
BCA Academy	CONQUAS Training for Developers and Consultants
BCA Academy	Construction Contract Administration
BCA Academy	Construction Contract Drafting and Dispute Resolution
BCA Academy	Construction Contract Procurement and Negotiations
BCA Academy	CoreTrade Supervisors (Architectural)
BCA Academy	CoreTrade Supervisors (Mechanical and Electrical)
BCA Academy	CoreTrade Supervisors (Structural)
BCA Academy	CP5 on Low Voltage Electrical Installations
BCA Academy	CP88 on Temporary Electrical Installations
BCA Academy	Design and Maintenance of Kitchen Exhaust Systems for Hawker Centres
BCA Academy	Design of Concrete Structures – Eurocodes versus British Standards
BCA Academy	Design of Flat or Irregular Slabs, Frames and Joints
BCA Academy	Design, Optimisation and Measurement of High Efficiency Central Air-Conditioning System
BCA Academy	Develop a Risk Management Implementation Plan (bizSAFE Level 2)
BCA Academy	Develop a Workplace Safety and Health Management System Implementation Plan (bizSAFE Level 4)
BCA Academy	Developing a Lifting Plan for Crane Lifting Operations
BCA Academy	Diploma (Conversion) in Integrated Digital Engineering (Built Environment)
BCA Academy	Diploma in Construction Engineering
BCA Academy	Diploma in Digital Engineering

BCA Academy	Diploma in Facilities Management
BCA Academy	Diploma in Geo-Spatial Information & Technology
BCA Academy	Diploma in Quantity Surveying
BCA Academy	Effective People Management for Construction Professionals
BCA Academy	Efficient Building Envelope Design, ETTV and RETV
BCA Academy	Energy Efficiency for Electrical Systems
BCA Academy	Energy Efficiency through Management and Audit
BCA Academy	Enhancing Competency of BE Professionals on Regulatory Regime Module 1 – Overview of Code Compliance Process in Relation to Building Project Life Cycle
BCA Academy	Essential Knowledge in Construction Regulations for Licensed Builders
BCA Academy	Essential Knowledge in Local Regulations and Construction Practices
BCA Academy	Essential of Contractors' All Risk Policy
BCA Academy	Finance for Non-Finance Professionals in the Built Environment
BCA Academy	Fire Design of Concrete and Timber Structures to Eurocode 2 and Eurocode 5
BCA Academy	Fire Safety Manager Course
BCA Academy	Gas Service Workers Course
BCA Academy	Geotechnical Design using Eurocode 7
BCA Academy	Geotechnical Instrumentation for Engineers
BCA Academy	Good Industry Practices (Aluminium Window)
BCA Academy	Good Industry Practices (Drywall Installation including Wet Areas Application)
BCA Academy	Good Industry Practices (Marble/Granite/Ceramic Tiling)
BCA Academy	Good Industry Practices (Painting)
BCA Academy	Good Industry Practices (Timber Doors, Wardrobe & Kitchen Cabinet)
BCA Academy	Good Industry Practices (Timber Flooring)
BCA Academy	Good Industry Practices (Waterproofing for External Wall)
BCA Academy	Good Industry Practices (Waterproofing for Internal Wet Areas)
BCA Academy	Graduate Certificate in Workplace Safety and Health
BCA Academy	Green Architecture and the Integrated Design Process
BCA Academy	Green Mark for Super Low Energy Buildings - Active and Passive Strategies
BCA Academy	Green Mark Refresher Course
BCA Academy	IDD Project Implementation
BCA Academy	Indoor Air Quality Management for Buildings
BCA Academy	Internal Quality Audit Based on ISO 9001 (Quality), ISO 14001 (Environment) and ISO 45001 (Health and Safety) Standards
BCA Academy	Introduction to Smart Building Management System for FM Practitioners
BCA Academy	Life Cycle Costing for Project Planning
BCA Academy	Lift and Escalator Course for Engineers
BCA Academy	Lift and Escalator Course for Inspectors
BCA Academy	Maintenance of Electrical Equipment for Facilities Management Personnel
BCA Academy	Manage Financial Resources for WSH
BCA Academy	Managing Noise in Construction Site
BCA Academy	Managing Project Teams Effectively
BCA Academy	Managing Workflow and Achieving Plan Reliability
BCA Academy	Master of International Construction Management with major in Construction Productivity - UOF, USA
BCA Academy	Performance-Based Design for Fire Safety
BCA Academy	Planning and Management of Home Renovation
BCA Academy	PPVC Lifting Course for Crane Operators (Tower/Crawler/Mobile)
BCA Academy	Practical Application of WSH Legislations in Construction Projects through Case Studies
BCA Academy	Prefabricated Modular MEP Systems - The Way Forward
BCA Academy	Preparing and Defending Loss and Expense Claims
BCA Academy	Principles and Application of Data Analytics
BCA Academy	Principles of Integrated Digital Delivery
BCA Academy	Project Management
BCA Academy	Project Management for Professionals in the Building and Construction Industry
BCA Academy	PSSCOC Contract Administration Essentials
BCA Academy	Refresher Course for Licensed Electrical Workers (Electricians)
BCA Academy	Refresher Course for Licensed Electrical Workers (Technicians and Engineers)
BCA Academy	Registered Earthwork Supervisor Course
BCA Academy	Renovation for Public Housing
BCA Academy	Requirements for Environmental Sustainability in Buildings and The Green Mark Scheme
BCA Academy	Retro Commissioning and Performance Contracting
BCA Academy	Site Investigation for Engineers
BCA Academy	Site Management of Precast Concrete Construction
BCA Academy	Solar Architecture
BCA Academy	Solar Modelling
BCA Academy	Specialist Diploma in Architectural Technology
BCA Academy	Specialist Diploma in Building Cost Management
BCA Academy	Specialist Diploma in Building Information Modelling
BCA Academy	Specialist Diploma in Computational BIM (Building)
BCA Academy	Specialist Diploma in Computational BIM (Infrastructure)
BCA Academy	Specialist Diploma in Construction Management
BCA Academy	Specialist Diploma in Construction Productivity
BCA Academy	Specialist Diploma in Design for Manufacturing and Assembly
BCA Academy	Specialist Diploma in Facilities and Energy Management
BCA Academy	Specialist Diploma in Interior and Landscape Design
BCA Academy	Specialist Diploma in Mechanical and Electrical Coordination
BCA Academy	Specialist Diploma in MEP Modularisation
BCA Academy	Specialist Diploma in Smart Facilities Management
BCA Academy	Specialist Diploma in Underground Construction
BCA Academy	Specialist Diploma in Virtual Design and Construction
BCA Academy	Specialist Diploma in Workplace Safety and Health
BCA Academy	Strategies for Passive Design and Maintainability
BCA Academy	Strategies for Smart Facilities Management and Maintainability
BCA Academy	Sustainable Facility Management Solutions
BCA Academy	Sustainable Hot Water and Heat Recovery Systems
BCA Academy	Sustainable Lighting Design and Technology
BCA Academy	Technical Design of Mass Engineered Timber Structures Using Eurocode 5
BCA Academy	Technical Requirements for Amusement Rides
BCA Academy	Tendering for MRT and Major Infrastructure Projects
BCA Academy	The Basics of Design for Manufacturing and Assembly (DfMA)
BCA Academy	The Security of Payment Act – Technicalities and Practicalities
BCA Academy	Understanding Building Control Regulations - Household and Storey Shelters
BCA Academy	Way-finding and Signage Design
BCA Academy	Workshop for Company CEO/Top Management (bizSAFE Level 1)
BCA Academy-Imperial College London	Imperial College London-BCA Executive Development Programme on DFMA and IDD Leadership
BCA Academy-Singapore Management University	SMU-BCA Advanced Management Programme
BCA Academy-Singapore Management University	SMU-BCA Executive Development Programme
BCA Academy-Singapore University of Technology	SUTD-BCA Innovation Bootcamp
BCA Academy-University of Florida	Master of International Construction Management with Major in Construction Productivity (University of Florida)
BCA Academy-University of Newcastle	Bachelor in Civil Engineering (Honours)

BCA Academy-University of Newcastle	Bachelor in Construction Management (Building) (Honours)
BCA-Tsinghua University	Tsinghua-BCA Built Environment Leadership Immersion
Institute of Technical Education	Higher Nitec in Architectural Technology
Institute of Technical Education	Higher Nitec in Electrical Engineering
Institute of Technical Education	Higher Nitec in Facility Management
Institute of Technical Education	Higher Nitec in Integrated Mechanical and Electrical Design
Institute of Technical Education	Higher Nitec in Services - Architectural Technology
Institute of Technical Education	Higher Nitec in Technology - Civil and Structural Engineering Design
Institute of Technical Education	Higher Nitec in Technology - Electrical Engineering
Institute of Technical Education	Higher Nitec in Technology - Facility Management
Institute of Technical Education	Nitec in Architectural Technology
Institute of Technical Education	Nitec in Built Environment (Mechanical and Electrical Services)
Institute of Technical Education	Nitec in Built Environment (Vertical Transportation)
Institute of Technical Education	Nitec in Electrical Technology (Lighting and Sound)
Institute of Technical Education	Nitec in Electrical Technology (Power and Control)
Institute of Technical Education	Nitec in Lift and Escalator Technology
Institute of Technical Education	Nitec in Technology - Built Environment (Vertical Transportation)
Institute of Technical Education	Nitec in Technology - Electrical Technology (Power and Control)
Institute of Technical Education	Work-Study Diploma in Electrical Engineering
Institute of Technical Education	Work-Study Diploma in Mechanical and Electrical Service Supervision
Institute of Technical Education	Work-Study Diploma in Vertical Transportation
Nanyang Polytechnic	Diploma in Architecture
Nanyang Technological University	Bachelor of Engineering in Civil Engineering
Nanyang Technological University	Bachelor of Engineering in Electrical and Electronic Engineering
Nanyang Technological University	Bachelor of Engineering in Information Engineering and Media
Nanyang Technological University	Bachelor of Engineering in Mechanical Engineering
Nanyang Technological University	Master of Science in Civil Engineering
Nanyang Technological University	Master of Science in Project Management
National University of Singapore	Bachelor of Arts in Architecture
National University of Singapore	Bachelor of Engineering (Civil Engineering)
National University of Singapore	Bachelor of Engineering (Electrical Engineering)
National University of Singapore	Bachelor of Engineering (Mechanical Engineering)
National University of Singapore	Bachelor of Science (Project and Facilities Management)
National University of Singapore	Digital transformation with BIM Estimation
National University of Singapore	Green Construction Projects: Management Strategies and Innovations
National University of Singapore	Infrastructure Finance
National University of Singapore	International Construction Management: Strategies to Improve Project Performance
National University of Singapore	Lean Project Management
National University of Singapore	Master in Science - Integrated Sustainable Design
National University of Singapore	Master of Architecture
National University of Singapore	Master of Science in Building Performance and Sustainability
National University of Singapore	Master of Science in Civil Engineering
National University of Singapore	Master of Science in Project Management
Ngee Ann Polytechnic	Diploma (Conversion) in Facilities Management
Ngee Ann Polytechnic	Diploma (Conversion) in Township Management
Ngee Ann Polytechnic	Diploma In Design (Specialisation in Architecture)
Ngee Ann Polytechnic	Diploma in Electrical Engineering
Ngee Ann Polytechnic	Diploma in Engineering (Building Services and Fire Safety)
Ngee Ann Polytechnic	Diploma in Engineering (Civil and Structural)
Ngee Ann Polytechnic	Diploma in Hotel and Leisure Facilities Management
Ngee Ann Polytechnic	Diploma in Mechanical Engineering
Ngee Ann Polytechnic	Diploma in Real Estate Business
Ngee Ann Polytechnic	Diploma in Sustainable Urban Design and Engineering (Specialisation in Architecture)
Ngee Ann Polytechnic	Diploma in Sustainable Urban Design and Engineering (Specialization in Civil Engineering)
Ngee Ann Polytechnic	Specialist Diploma in Sustainable Facilities Management
Republic Polytechnic	Adopting Digital Technologies into Operations
Republic Polytechnic	Diploma in Engineering Design with Business
Republic Polytechnic	Diploma in Engineering System and Management
Republic Polytechnic	Diploma in Green Building Energy Management
Republic Polytechnic	Diploma in Industrial and Operations Management
Republic Polytechnic	Diploma in Sustainable Built Environment
Republic Polytechnic	Introducing to Computer-Aided Design
Republic Polytechnic	One Day Lean
Republic Polytechnic	Part-Time Diploma in Operations and Engineering Management
Republic Polytechnic	Specialist Diploma in Supply Chain Management
Singapore Institute of Surveyors and Valuers	Certificate in Cost Management and Estimating (CCME)
Singapore Institute of Surveyors and Valuers	Certificate in Measurement of Building Works
Singapore Institute of Surveyors and Valuers	Certificate in Contract Administration
Singapore Institute of Surveyors and Valuers	Certificate in Building Contract Law
Singapore Institute of Technology	[SIE2017] Heating, Ventilation and Air Conditioning I
Singapore Institute of Technology	[SIE3018] Heating, Ventilation and Air Conditioning II
Singapore Institute of Technology	Advanced Geotechnical Engineering
Singapore Institute of Technology	Advanced Material Technology
Singapore Institute of Technology	Bachelor of Engineering with Honours in Civil Engineering
Singapore Institute of Technology	Bachelor of Engineering with Honours in Sustainable Infrastructure Engineering (Building Services)
Singapore Institute of Technology	Deep Excavation and Tunnelling
Singapore Institute of Technology	Design of Reinforced and Precast Concrete Structures
Singapore Institute of Technology	Design of Reinforced and Precast Concrete Structures+C892
Singapore Institute of Technology	Design of Steel and Composite Structures
Singapore Institute of Technology	Design of Tall Buildings
Singapore Institute of Technology	Numerical Modelling in Geotechnics
Singapore Institute of Technology	Shallow and Deep Foundation
Singapore Institute of Technology	SIE1012 Engineering Drawing for Building Services
Singapore Institute of Technology	SIE2013 Sustainable Building Engineering
Singapore Institute of Technology	SIE6003 Construction Management using BIM
Singapore Institute of Technology	SIE6015 Project Management
Singapore Institute of Technology	SIE6017 Indoor Environmental Quality Engineering
Singapore Institute of Technology	SIE6018 Lighting Technology for Building Services
Singapore Institute of Technology	SIE6021 Structure Vibration and Control
Singapore Institute of Technology	Structural Stability and Dynamics
Singapore Polytechnic	Advanced Revit MEP Modelling
Singapore Polytechnic	Autodesk Navisworks for MEP BIM Project Collaboration
Singapore Polytechnic	Computational BIM for MEP Projects using Revit Dynamo
Singapore Polytechnic	Diploma in Aerospace Electronics
Singapore Polytechnic	Diploma in Architecture
Singapore Polytechnic	Diploma in Civil Engineering
Singapore Polytechnic	Diploma in Computer Engineering
Singapore Polytechnic	Diploma in Electrical and Electronic Engineering

Singapore Polytechnic	Diploma in Energy Systems and Management
Singapore Polytechnic	Diploma in Engineering with Business
Singapore Polytechnic	Diploma in Facilities Management
Singapore Polytechnic	Diploma in Quantity Surveying (Measurement and Contract Administration)
Singapore Polytechnic	Essential Revit MEP Modelling
Singapore Polytechnic	Specialist Diploma in BIM Management
Singapore Polytechnic	Specialist Diploma in Energy Management for Cleanroom Facility
Singapore University of Social Sciences	Bachelor of Science in Facilities and Events Management
Singapore University of Social Sciences	Bachelor of Science in Facilities Management
Singapore University of Social Sciences	Facility Management Professional (FMP) Certificate
Singapore University of Social Sciences	Fire Safety Management (FSM) Certificate
Singapore University of Social Sciences	Green Mark Accredited Professional (FM) Certificate
Singapore University of Social Sciences	Township Management
Singapore University of Technology and Design	Bachelor of Science (Architecture and Sustainable Design)
Temasek Polytechnic	BIM Asset Management
Temasek Polytechnic	BIM Building Data and Collaboration
Temasek Polytechnic	Diploma in Architectural Technology and Building Services
Temasek Polytechnic	Diploma in Integrated Facility Management
Temasek Polytechnic	Diploma in Interior Architecture and Design
Temasek Polytechnic	Post-Diploma Certificate in BIM Building Data and Asset Management
Temasek Polytechnic	Specialist Diploma in Energy Management and Sustainable Design
Temasek Polytechnic	Specialist Diploma in Lighting Design
Singapore Institute of Architect	Certificate of Statement in Architectural Practice Course
Institute of Engineers, Singapore	5 Days Appointed Person
Institute of Engineers, Singapore	ABC Water Professional Programme
Institute of Engineers, Singapore	Erosion Control Measures For Site Supervisors
Institute of Engineers, Singapore	Qualified Erosion Control Professional
Institute of Engineers, Singapore	Singapore Certified Energy Manager
Singapore Contractors Association Limited	Apply Labour Legislation in People-Management Practices for the Built Environment Sector
Singapore Contractors Association Limited	Autodesk Revit (Structure/Architectural/MEP) 2019 Essentials
Singapore Contractors Association Limited	Contract Administration for Contractors
Singapore Contractors Association Limited	Perform Design for Safety Professionals Duties
Singapore Contractors Association Limited	WSQ Develop a Risk Management Implementation Plan
Singapore Contractors Association Limited	WSQ Manage Workplace Safety and Health in Construction Sites
