1.0 Introduction

On **2 September 2024**, BCA issued a [circular](#) to inform the industry of the changes related to the Temporary Occupation Permit (TOP) / Certificate of Statutory Completion (CSC) application for all development projects with Civil Defence shelter (CD shelter). Supervising Qualified Persons (QPs) appointed for the structural, architectural, and, where applicable, mechanical and electrical works in respect of CD shelter(s) are required to submit the Certificate of Supervision of Building Works in respect of CD Shelter(s) (in Word document format) for all development projects with CD shelter including household, storey, public and transit shelters when applying for TOP/CSC.

We are pleased to introduce a new e-form (BCA-CSC-CSPCD) titled “***Certificate of Supervision of Building Works in respect of Civil Defence Shelter(s)***” in CORENET 2 to replace the current Word document. With effect from **3 July 2026**, QPs shall use the new e-form on the Electronic Submission for Professionals (ESPro) in CORENET 2 when applying for TOP/CSC.

Please note that this is purely a format change from Word document to e-form, the form contents and submission process remain unchanged. The e-form will benefit QPs with the automatic population of their particulars, reducing manual data entry and human error, and supporting the broader digital transformation of the Built Environment sector.

2.0 Where to retrieve the new e-form (BCA-CSC-CSPCD)?

The new e-form (BCA-CSC-CSPCD) titled ***“Certificate of Supervision of Building Works in respect of Civil Defence Shelter(s)”*** can be retrieved from the TOP/CSC application in ESPro under the application type “BCA-CSC-AppIn for TOP/CSC”.

Declarations and Certifications by Shelter Qualified Person

I1	I declare that I am appointed as the Qualified Person under section 8 or 11 of the Building Control Act 1989 to supervise the carrying out of the building works in relation to the Civil Defence Shelter(s) in the Project herein described.	☒
I2	I declare and certify that I have supervised the carrying out of the building works in respect of the Civil Defence Shelter(s) in the Project.	☒
I3	I declare and certify that I have inspected the building works in respect of the Civil Defence Shelter(s) in the Project on the inspection date indicated above, and I certify and declare that the building works in respect of the Civil Defence Shelter(s) in the Project are carried out and completed in accordance with:- - The provisions of the Building Control Act 1989 and the Building Control Regulations 2003; - The plans approved by the Commissioner of Building Control ("CBC") in respect of the building works for the Civil Defence Shelter(s) in the Project and the conditions under which the plans have been approved by the CBC; - The provisions of the Civil Defence Shelter Act 1997; and - The provisions of the technical codes issued under the Civil Defence Shelter Act 1997.	☒
I4	I understand and acknowledge that the CBC will be relying on my declarations and certifications, as set out herein, when assessing whether to grant approvals, permits and issue any other documents under the Building Control Act 1989 and building regulations in respect of the building works for the Civil Defence Shelters in the Project. I declare that all declarations and certifications provided herein are true and accurate and are based on facts and information that are true and accurate.	☒

Complete the declaration accordingly

4.0 Submission requirements

Respective QPs (structural, mechanical and electrical, where applicable) shall pass their encrypted e-forms (BCA-CSC-CSPCD) to the QP (architect) to include as part of the TOP/CSC application. As good practice, the QP should rename the e-form with the suggested file name to avoid duplication.

QP	Suggested file name
QP (architect)	BCA-CSC-CSPCD
QP (structural)	BCA-CSC-CSPCD_ S
QP (mechanical), for public and transit shelters only	BCA-CSC-CSPCD_ M
QP (electrical), for public and transit shelters only	BCA-CSC-CSPCD_ E
