Building Address : _____

Name of Building (if applicable) : _____

1 As required under Section 28 of The Building Control Act 1989, I, Er. _____, have carried out a full structural investigation on the condition of the above building from _____ to _____ (dates).

2 I hereby certify that the suspected defects identified earlier in the visual inspection report dated _____ were of no structural significance.

3 In arriving at my conclusion, I confirm that :

* (a) I have checked the structural plans and calculations relating to the above building and I am satisfied that there are no inadequacies in the key structural elements.

* (b) I have reconstructed the structural plans and I am satisfied that there are no inadequacies in the key structural elements as would be reasonably discovered by such structural appraisal.

4 In support of the above, I submit my report on the full structural investigation as well as my own analysis and design calculations relating to the above building, including recommendation for remedial works (if any).
