

# SG CYBER OLYMPIANS

## What is the programme about?

The SG Cyber Olympians (SGCO) programme aims to identify, recruit, and nurture top talents to **excel in cybersecurity and at top international cybersecurity competitions**. Beyond building a talented pool of representatives for Singapore, this programme is part of SG Cyber Talent, a broader initiative to maintain a strong pipeline of skilled cybersecurity professional for the industry.

First launched in 2022, 50 participants were enrolled and trained to compete in Capture-the-Flag (CTF) competitions. The next phase of SGCO is back with enhanced training and expanded sponsorship opportunities for participants to build deeper cybersecurity expertise.

## What can you expect from the programme?

Personalised learning pathways and training curricula

Cyber sparring and bespoke workshops to hone skills in realistic cybersecurity scenarios

Enrolment in professional cybersecurity certifications

Overseas exchange programmes and conferences

Represent Singapore at international competitions

Participation in this programme is free-of-charge

## Who can apply?

- Singapore citizen
- 18 years old and above
- Intermediate to advanced cybersecurity knowledge
- CTF experience is a plus

## Selection Process

- Stage 1 - CTF Challenge**
