About the Exhibition

The exhibition, *The Albatross File: Singapore's Independence Declassified*, consists of four standalone sections, which can be experienced in any order.

Exhibit**Description****ATLAS**
(Centerpiece of the exhibition)

Track the Singapore Story with a comprehensive timeline of events from Merger to Separation, anchored by a dynamic Spacetime clock tracing movements and decisions towards Singapore's independence.

ROOM

Watch a dramatised retelling of what went on behind closed doors in the months leading up to Separation, blending archival footage and oral history interviews with cinematic reenactments to bring these moments to life.

RECORDS

Hear the voices of key players and examine the official documents and handwritten notes, including the declassified Albatross File documents, which offer an intimate perspective into the anxieties and convictions of key players involved in the Separation.

CHATBOOK

Find out more through this Generative AI-powered chat service that draws from The Albatross File: Inside Separation publication as well as the rich resources from NLB's collections.
