

QUICK REFERENCE GUIDE

Learner Mobile App

ANDROID MOBILE DEVICES

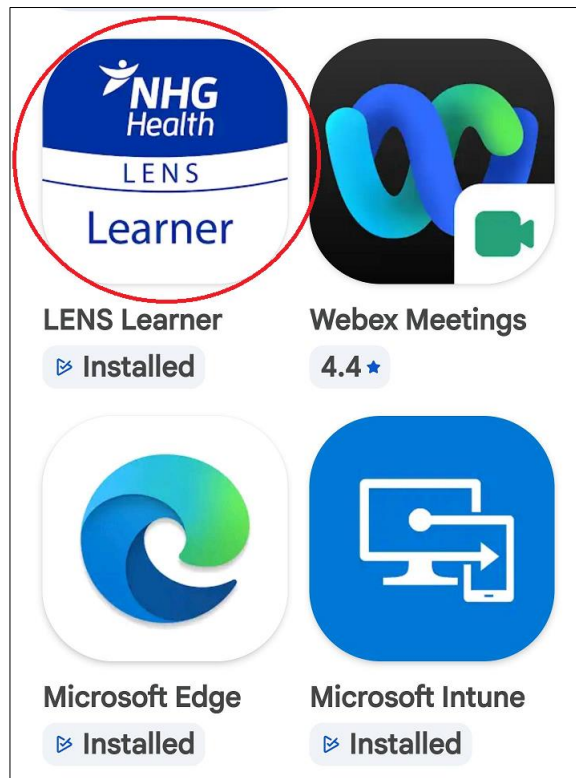

For External User

LENS

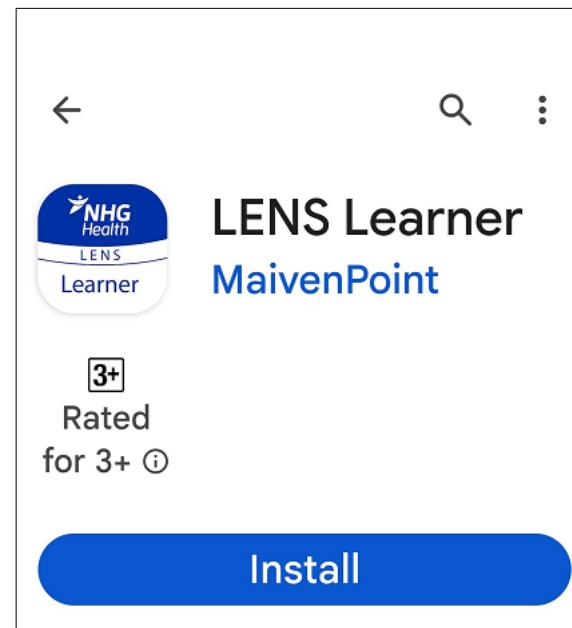

Learning & Education for NHG Health Staff

1:**Find LENS Learner**

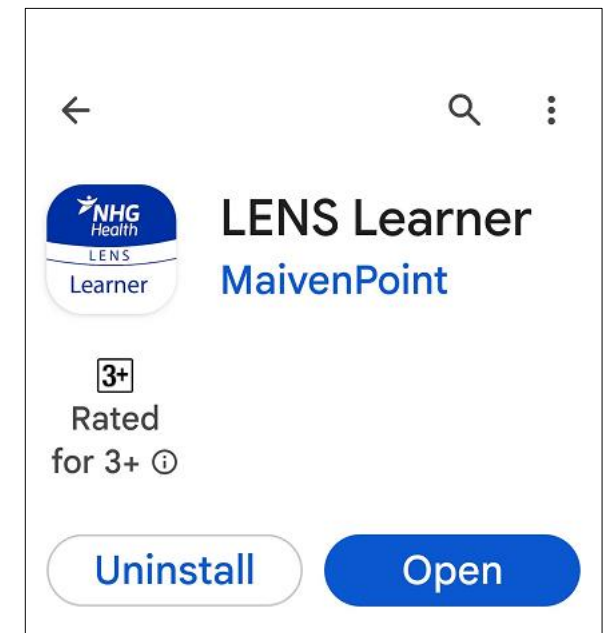

On your Android phone, go to Play store. Search for LENS Learner and tap the app icon.

**2:****Install the app**

On the LENS Learner app page, tap Install.

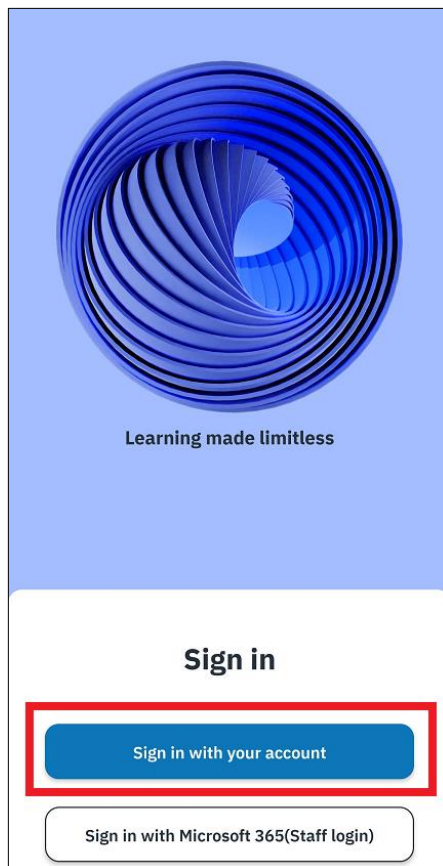

**3:****Open LENS Learner**

When installation finishes, tap Open.

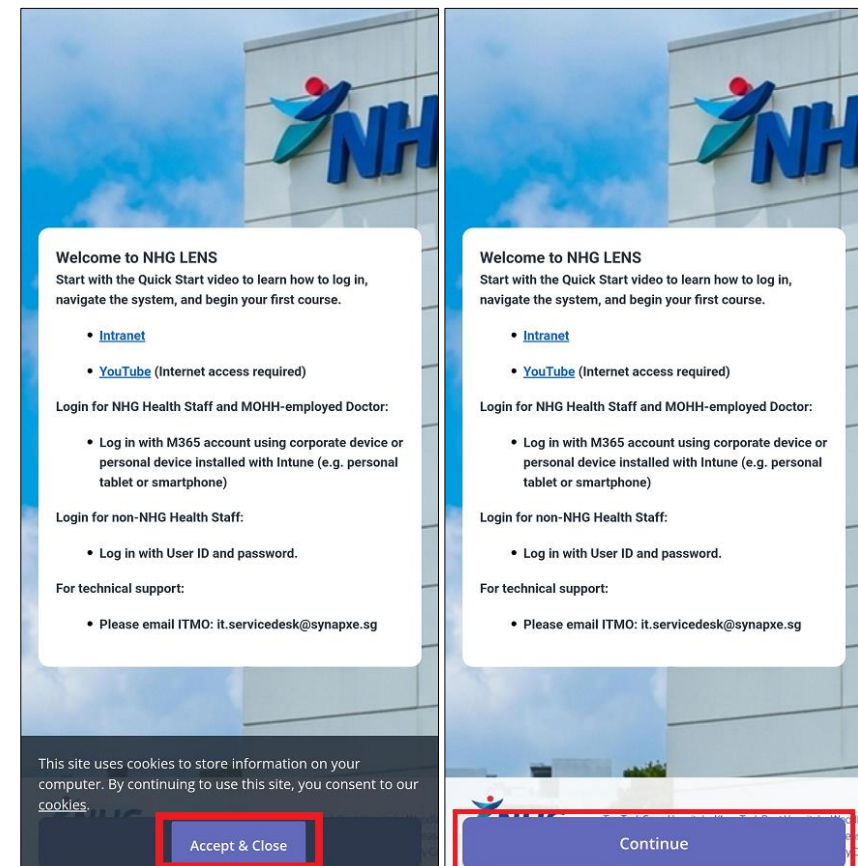

4:**Choose local sign-in**

On the LENS sign-in screen, tap Sign in with your account.

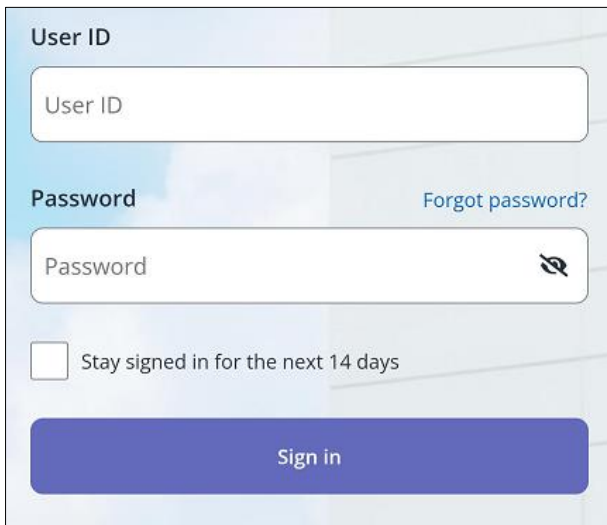

**5:****Consent to cookies**

Tap Accept & Close to give consent to the cookie notice and tap Continue.

6:**Insert login credentials**

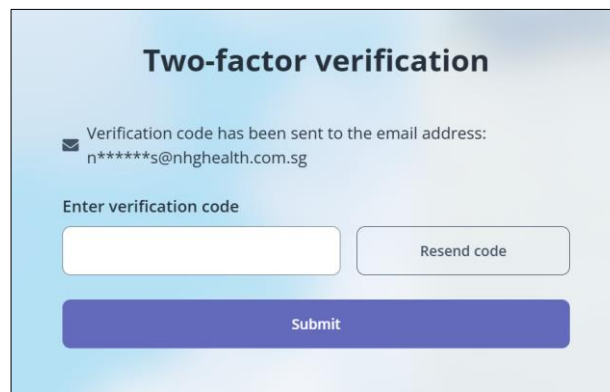

Type in your userID and password and click Sign in.

The login screen features a light blue background with a white card. At the top, it says 'User ID' above a text input field. Below that is a 'Password' section with a text input field and a 'Forgot password?' link. A checkbox labeled 'Stay signed in for the next 14 days' is positioned below the password field. At the bottom is a large blue 'Sign in' button.

7.**Insert OTP**

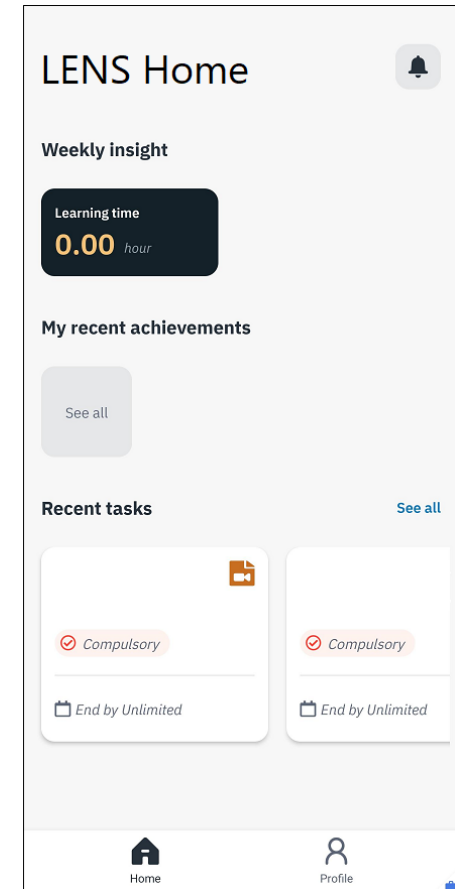

OTP will be sent to email address.

The 'Two-factor verification' screen has a light blue background. It displays a message: 'Verification code has been sent to the email address: n*****s@nhghealth.com.sg'. Below this is a text input field for the 'Enter verification code' and a 'Resend code' button. A large blue 'Submit' button is at the bottom.

8:**Confirm successful sign-in**

The LENS home page opens. This confirms successful installation and sign-in.

The 'LENS Home' screen features a light gray background. At the top, it says 'LENS Home' with a bell icon. Below is a 'Weekly insight' section with a dark blue card showing 'Learning time 0.00 hour'. Underneath is 'My recent achievements' with a 'See all' button. The 'Recent tasks' section shows two task cards, each with a 'Compulsory' status and 'End by Unlimited' deadline. At the bottom is a navigation bar with 'Home' and 'Profile' icons.
