Tuition Grant Scheme for International Students (Academic Year, AY2026)

Dear Student,

The Ministry of Education's Tuition Grant (TG) Scheme aims to support students who wish to stay and work in Singapore after completing their full-time diploma courses at polytechnics. For eligible students who are committed to seek employment and work in a Singapore entity locally to serve a three-year bond obligation, the scheme will help to defray the cost of their education. It is essential that you gain a thorough understanding of the scheme requirements and obligations by watching this short video: <https://go.gov.sg/tg-info-video-rp> before applying.

As an International Student, you are eligible to apply for a TG upon successful enrolment into a polytechnic, provided you have not previously received TG to complete a course at the same or higher level of education. There is a limited number of TGs available for International Students, and these are awarded on a competitive basis based on merit.

To confirm eligibility, you must submit the TG Option form on Republic Polytechnic's Online Enrolment Portal. Refer to the Enrolment Package for information on TG Scheme and submit an online application for TG at <https://tgs.moe.gov.sg/> from 16 May – 30 May 2026.

If you are assessed to be eligible, you will be notified to complete the application. If your application for TG is successful, the grant will be applied directly to the total amount due on your Student Bill at Republic Polytechnic.

If your application is unsuccessful, or should you decide not to apply for TG, you will need to pay the full tuition fees for your studies at Republic Polytechnic.
