

LIST OF BIOLOGICAL AGENTS AND TOXINS

Important Points to Note:

1. All biological agents and toxins in this list are regulated under the Biological Agents and Toxins Act (BATA) and a valid import/tranship permit is required for their importation/transshipment.
2. This list contains the MOH product codes and HS Codes required for import/tranship permit applications for the corresponding biological agents and toxins.
3. This list is non-exhaustive and if you are importing any biological agents or microbial toxins which are **harmful** to human health but are not found in this list, please **use DUMMY PRODUCT CODE** and/or approach MOH Biosafety Branch at moh_biosafety@moh.gov.sg for further advice.
