### 3 Submit online application and payment

An applicant (Supervising director or partner of a corporation) may submit an application to PEB together with a fee of S\$500.

### 4 Application for Licence – Step by Step Guide

To submit Licence application, go to the **Applications** tab. Click the LA icon to begin and submit your application.

## 4.1 Submission of Application

The online application form should take about 10 to 15 minutes to complete. All entries are to be made in Title Case (i.e. Capitalise Each Word). During the application process, you may save your progress by selecting **"Save as Draft"**. This allows you to return and continue from where you left off the next time you logged in. To resume, simply click on the application with a **"Draft"** status on your dashboard.

### Step 1 - Declaration

Before you proceed to apply for LA, you are required to read about the requirement, and you declare that you have done so. You may click and read the requirements at "licensing requirements", please review all declarations carefully and check the corresponding boxes where applicable to proceed with the application.

**Note:** The **"Proceed"** button will be enabled only after you have opened and reviewed the requirements under **"licensing requirements"** and checked all the required declaration boxes.

Estimated time to complete this form: 20 Minutes

**Licence Application**

Before you proceed to register for Licence Application, you are required to read and understand the requirements for registration as a licensed corporation and you declare that you have done so.

**Declaration:**

Please click and read the licensing requirements. I/We hereby confirm the accuracy of information to be provided. Required documents as per checklist shall be submitted to Professional Engineers Board (PEB) for the processing of licence application to provide professional engineering services in Singapore.

I/ We would like to proceed with the application. I/We understand that PEB will make a partial refund of \$200.00 should my application not be accepted by PEB.

Proceed
