

Under CCS Investigation?

Settlement could reduce your penalties by up to 30%

1 Why Apply

Fast Track Discount of up to 30%

applies after other adjustments and discounts such as leniency. A party receiving both a 50% leniency and 30% fast track discount would receive an overall 65% penalty reduction

Time and resource savings

as infringements are resolved more efficiently and expeditiously by CCS and the company

2 When to apply

Before infringement decision is issued

apply online at www.ccs.gov.sg or respond to CCS's invitation

Applying before proposed infringement decision is issued

would likely result in a higher discount

Confidential "off-the-record" discussions

help both parties understand the case and potential outcomes without admission of liability

3 How to qualify for discount

Cooperate

fully throughout investigation and any subsequent proceedings

Admit

liability and acknowledge facts without qualification

Accept

the financial penalty and its computation and any structural/behavioural remedies

No file inspection and representations

(except to identify material factual inaccuracies)

Final Resolution

as agreed in the Fast Track Agreement i.e. did not withdraw from, challenge or appeal the signed Agreement
