Throw it back to the 90s and 00s with quintet Roseville Deluxe, who promise captivating live arrangements of favourites by Backstreet Boys, Evanescence and Snow Patrol. With a voice that has been compared to the likes of Hozier and James Bay, singer-songwriter Daniel Sid rounds out the line-up, presenting classic tunes and his original music such as *greener grass*. With the beautiful Marina Bay as backdrop accompanied by the dazzling fireworks, this night of live performances will have you up and on your feet, dancing your way into 2025.
