Programme title	Details
<p>Children’s Workshop: Streets in the Air – People’s Park Complex</p> <p>A fun hands-on craft workshop where children (recommended for ages 7 to 13) can learn to build a paper model of an iconic building in Singapore, and develop critical thinking about the architecture and buildings around them.</p>	<p>2 Dec 2023 and 16 Mar 2024, Saturday (2 sessions per date) Session 1: 9.00am – 10.30am Session 2: 11.00am – 12.30pm Imagination Room, Level 5, National Library Building</p>
<p>Singapore Architectural Development Through the Lens of Darren Soh</p> <p>Photographer Darren Soh will be speaking on his experience and challenges photographing modern structures in Singapore that range from the 1930s structures by Ho Kwong Yew to modern icons like Pearl Bank and Golden Mile Complex. He will also share his works on documenting the modern architecture of the Housing and Development Board’s projects ranging from those built in the 1960s to the later ones in the 1980s.</p>	<p>12 Jan 2024, Friday 7.00pm – 8.00pm Possibility Room, Level 5, National Library Building</p>
<p>Curators’ Talk: To Draw An Idea: Retracing the designs of William Lim Associates – W Architects</p> <p>Architect Mok Wei Wei and architect-curator Ronald Lim will provide insights into the exhibition’s curatorial narrative, presenting the historical context to the featured projects under the themes of Refract, Respond and Reflect.</p>	<p>2 runs:</p> <p>18 Jan 2024, Thursday 2.00pm – 4.00pm URA Centre Function Hall, level 5 and via Zoom</p> <p>23 Mar 2024, Saturday 11.00am – 12.30pm Possibility Room and Imagination Room, Level 5, National Library Building</p>
<p>Architecture Stuff & More Stuff</p> <p>A spirited sharing by Dr Wong Yunn Chii on architectural objects from his personal collection, followed by a candid discussion with Kelley Cheng to bring to light the importance of the Singapore Architecture Collection and the need to appreciate Singapore’s architectural lineage/heritage through documentation and collection.</p>	<p>23 Feb 2024, Friday 2.00pm – 4.00pm URA Centre Function Hall, level 5 and via ZOOM</p>

Programme title	Details
<p>UNIT: A Glimpse into Singapore's 1970s – '80s Private Apartments</p> <p>Samantha Chia and Finbarr Fallon, the authors of UNIT will be talking about the ideas behind the book, the significance of Singapore's post-independence residential architecture and the process of self-publishing the book, which has had two sold-out print runs. The duo will also touch on their next work documenting the built environment in Singapore.</p>	<p>1 Mar 2024, Friday 7.00pm – 8.00pm Possibility Room, Level 5, National Library Building</p>
<p>Dare to Design: Singapore Architecture 1960s – 2000s</p> <p>Join the curators of <i>Dare to Design: Singapore Architecture 1960s–2000s</i>, Hannah Yeo (Curator, Exhibitions, NLB) and Alex Foo (Manager, Partnership Management, NLB), as they shed light on the buildings selected for the exhibition and interesting stories about their design. Participants will also have a chance to see up close materials from the National Library and National Archives of Singapore used in the satellite exhibition.</p>	<p>9 May 2024, Thursday 7.00 pm – 8.00 pm Possibility Room, Level 5, National Library Building</p>
<p>The Singapore Green Building Journey</p> <p>This talk by Professor Lam Khee Poh (NUS) explores Singapore's Green Building journey since 2005, including research and development work that led to the launch of the inaugural Building and Construction Authority Green Mark Certification scheme. The National Library Building will be used as a case study to illustrate conceptual and practical implementation of the key features of a Green Building. The sharing also takes a concise look at the evolution of Singapore's Green Building Masterplan and its contribution to the Singapore Green Plan 2023.</p>	<p>16 May 2024, Thursday 7.00 pm – 8.00 pm Possibility Room, Level 5, National Library Building</p>
