1Q/2025	760	830	459	1,289

1/ This is compiled from licensed developers' returns for both uncompleted and completed private residential projects based on options issued by developers. With effect from 25 May 2015, the returns have been submitted to URA on a weekly basis.

2/ Data before 2015 are based on caveats lodged with SLA. Since 1Q/2015, the data are compiled from Stamp Duty records at IRAS.
