

About QuranSG

ANNEX B

QuranSG is an initiative by the Islamic Religious Council of Singapore (MUIS) that brings the community together to learn and engage with the Quran. Launched at Kampung Siglap Mosque on 6 June 2026, it celebrates recitation and memorisation while creating more opportunities for people to understand, reflect on and live by the Quran's guidance.

Through national competitions such as MTTTQ, programs such as Tadabbur Talk Shows, MTTQ Preparatory bootcamp and other resources, QuranSG invites Muslims of all ages to build a closer relationship with the Quran. Its 2026 focus on tadabbur encourages a simple but meaningful step: to pause at what we read, consider what it means for our lives and let it shape our choices, character and care for others.

Beyond its programmes and activities, QuranSG 2026 also developed a beginner's guide to tadabbur to encourage deeper engagement with the Quran. The booklet introduces the concept of tadabbur and provides simple, practical guidance to help members of the Muslim community begin their journey of Quranic reflection and apply its teachings in their daily lives. The e-booklet can be downloaded at <https://go.gov.sg/tadabbursg-ebook26>.
