

Annex A: Profiles of SCIS Board of Governors (BOG) Members

The Board of Governors provides strategic oversight for SCIS's governance, academic direction, and institutional development. The Board is responsible for guiding the college's mission to develop qualified Asatizah and advance contemporary Islamic scholarship that serves Singapore's multicultural society.

Key responsibilities include endorsing academic programmes and research initiatives, ensuring educational excellence aligned with Singapore's values and standards, maintaining financial stewardship and institutional integrity, and fostering transparency and accountability in all operations. Through this governance framework, the Board ensures SCIS fulfils its educational mandate whilst building community confidence and meeting regulatory requirements.

The Board comprises distinguished leaders from academia, religious scholarship, and public service who bring diverse expertise to guide SCIS's strategic development as Singapore's Islamic higher education institution.

 <p>Mr Abdullah Tarmugi</p>	<p>Chairman, SCIS Board of Governors</p> <p>Mr Abdullah Bin Tarmugi was born in August, 1944. He was educated at the University of Singapore (now National University of Singapore), and the University of London, as a Commonwealth Scholar. He began his political career as a Member of Parliament (MP) for Sengkang constituency in 1984, later representing Bedok Representation Constituency (GRC) from 1991 to 1996, and subsequently East Coast GRC from 1997 until his retirement in 2011. During his tenure as an MP, he also held the positions of Minister for Community Development and Sports, Minister-in-Charge of Muslim Affairs, and the Speaker of Parliament.</p> <p>Beyond his Parliamentary career, Mr Abdullah was appointed to the Presidential Council for Minority Rights in 2012 and served as a Permanent Member from 2018. He continues to be involved in several public and community initiatives in such areas as minority affairs, racial harmony and inter-faith relations.</p>
---	---
