

TADABBUR VIDEO CONTEST

PLAYBOOK

Join now and inspire others!

Tadabbur is about reflecting, thinking and probing deep into the verses and meanings of the Quran, and into the messages that Allah wishes to convey to us through the Quran and through His beloved Prophets s.a.w.

By reflecting and contemplating on the meanings based on the right understanding of these verses, it begins to inform our actions, shape our attitudes, and forge our values as Muslims, the need to always do good, do ihsan, forgive people, be kind to others, perform the demands of Allah S.W.T. and refrain from His prohibitions.

All these ensure that we are able to live well, peacefully and harmoniously with the people around us.

At the same time, we avoid danger and harm for ourselves, our families, and our communities, not just in this world, but in the hereafter.

That is the outcome of tadabbur.
