## WCS Young Leaders Symposium 2026 – Call for Nominations

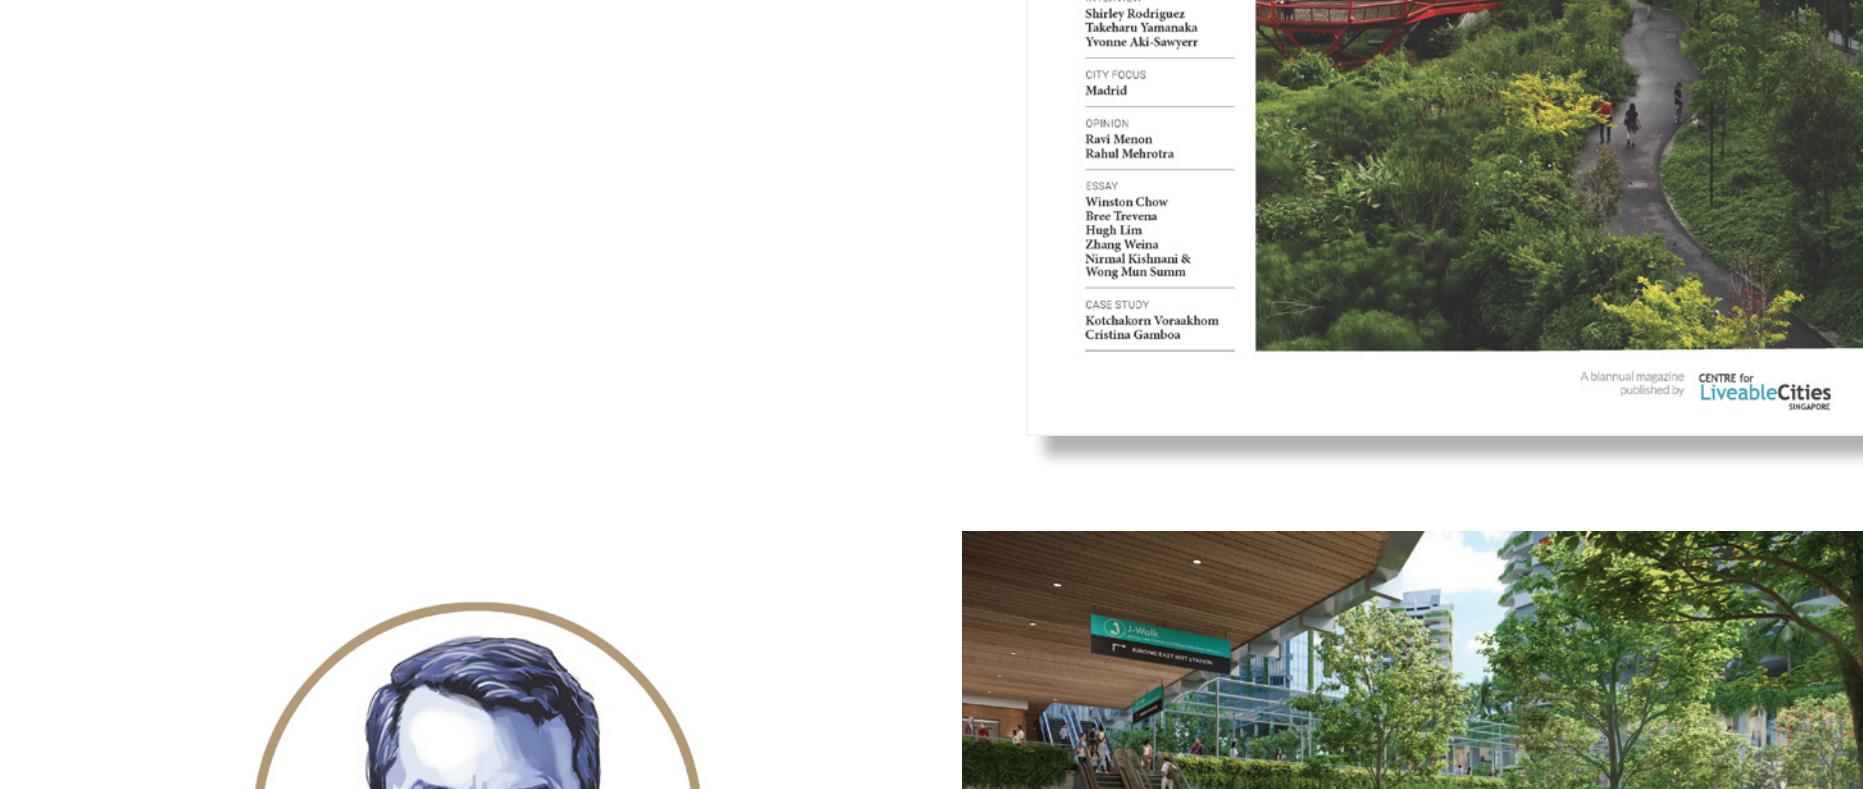

The World Cities Summit Young Leaders are a group of change-makers from diverse sectors who contribute their expertise and experience to support the next generational leadership that can shape the global urban agenda.

We are inviting nominations for Young Leaders to participate in the WCS Young Leaders Symposium 2026. They can look forward to a curated expanded programme including a special site visit, the Mayors Forum, and other networking opportunities.

Nominate a Young Leader by **27 February 2026** [here](#).

## Building Thriving Urban Futures – CLC at the Resilient Cities Forum 2025

CLC represented Singapore at the Resilient Cities Forum in London in December 2025. Organised by the Resilient Cities Network (RCN) and The Conduit, the forum examined the intersection between enhanced community resilience

and data-driven urban governance. RCN is a strategic partner of the World Cities Summit.

Rethinking Value Creation in Building Sustainable and Regenerative Cities

What is the true value created for people, the planet and investors with every dollar spent on sustainability? The National University of Singapore's (NUS) Sustainable and Green Finance Institute (SGFIN) present their Integrated Return on Investment (ROI) framework to answer this question.
